CHARGER 76

IN CONGRESS, JULY 4, 1776

The unanimous Declaration of the thirteen united States of America,

When in the course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. — We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain inalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. — That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence indeed will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object, evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. — Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world. —

He has refused his Assent to Laws, the most wholesome and necessary for the public good. — He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them. — He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only. — He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their Public Records, for the sole purpose of fatiguing them into compliance with his measures. — He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people. — He has refused for a long time, after such dissolutions, to cause others to be elected, whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within. — He has endeavoured to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners, refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of Lands. — He has obstructed the Administration of Justice by refusing his Assent to Laws for establishing Judiciary powers. — He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries. — He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our People, and eat out their substance. — He has kept among us, in times of peace, Standing Armies, without the Consent of our Legislatures. — He has affected to render the Military independent of, and superior to, the Civil power. — He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation: — For Quartering large bodies of armed troops among us: — For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States: — For cutting off our Trade with all parts of the world: — For imposing Taxes on us without our Consent: — For depriving us, in many cases, of the benefits of Trial by Jury: — For transporting us beyond Seas to be tried for pretended offences: — For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies: — For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments: — For suspending our own Legislatures, and declaring themselves invested with Power to legislate for us in all cases whatsoever. —

He has abdicated Government here, by declaring us out of his Protection and waging War against us. — He has plundered our Seas, ravaged our Coasts, burnt our Towns, and destroyed the Lives of our People. — He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & Perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation. — He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands. — He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions. In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free People. Nor have We been wanting in attentions to our British brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends. —

We, therefore, the Representatives of the United States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be, Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. — And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.

The United States Celebrates Her Birthday

1976 is a special year for the United States. Throughout the years many changes have taken place. People who were once the leaders of our country are now remembered in our history.

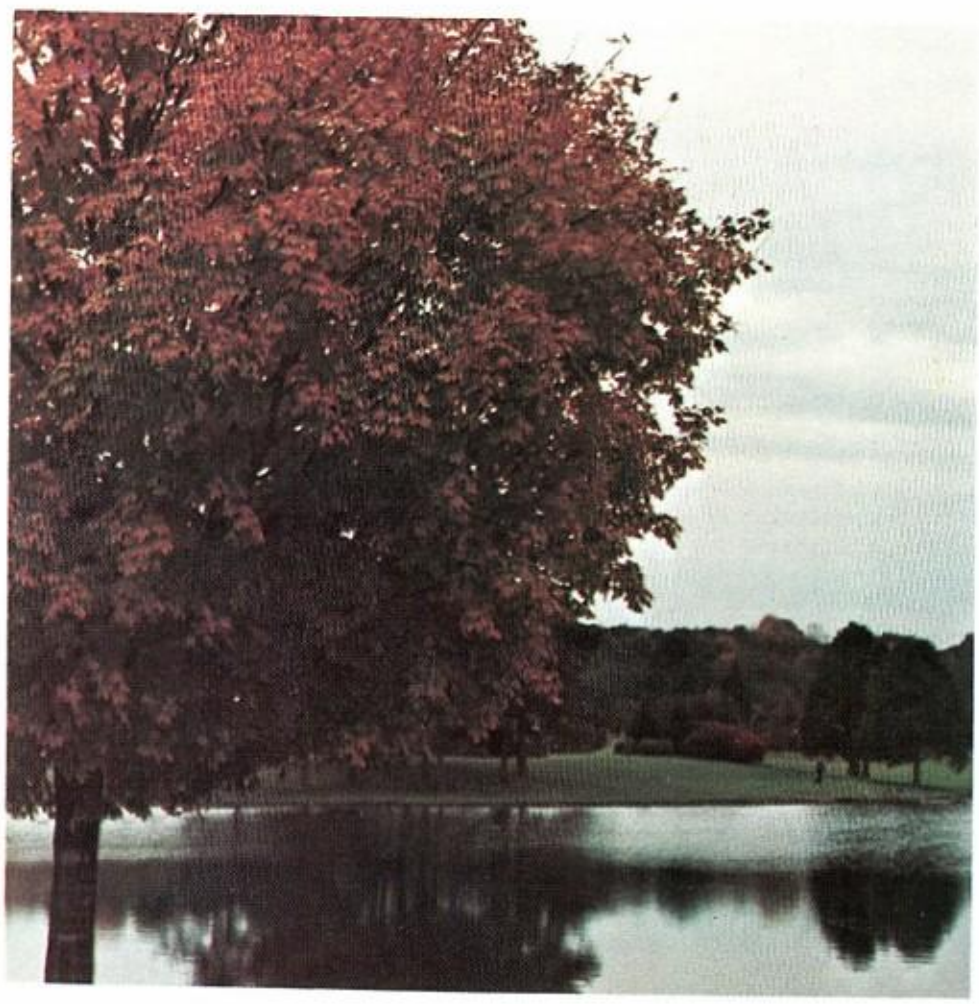
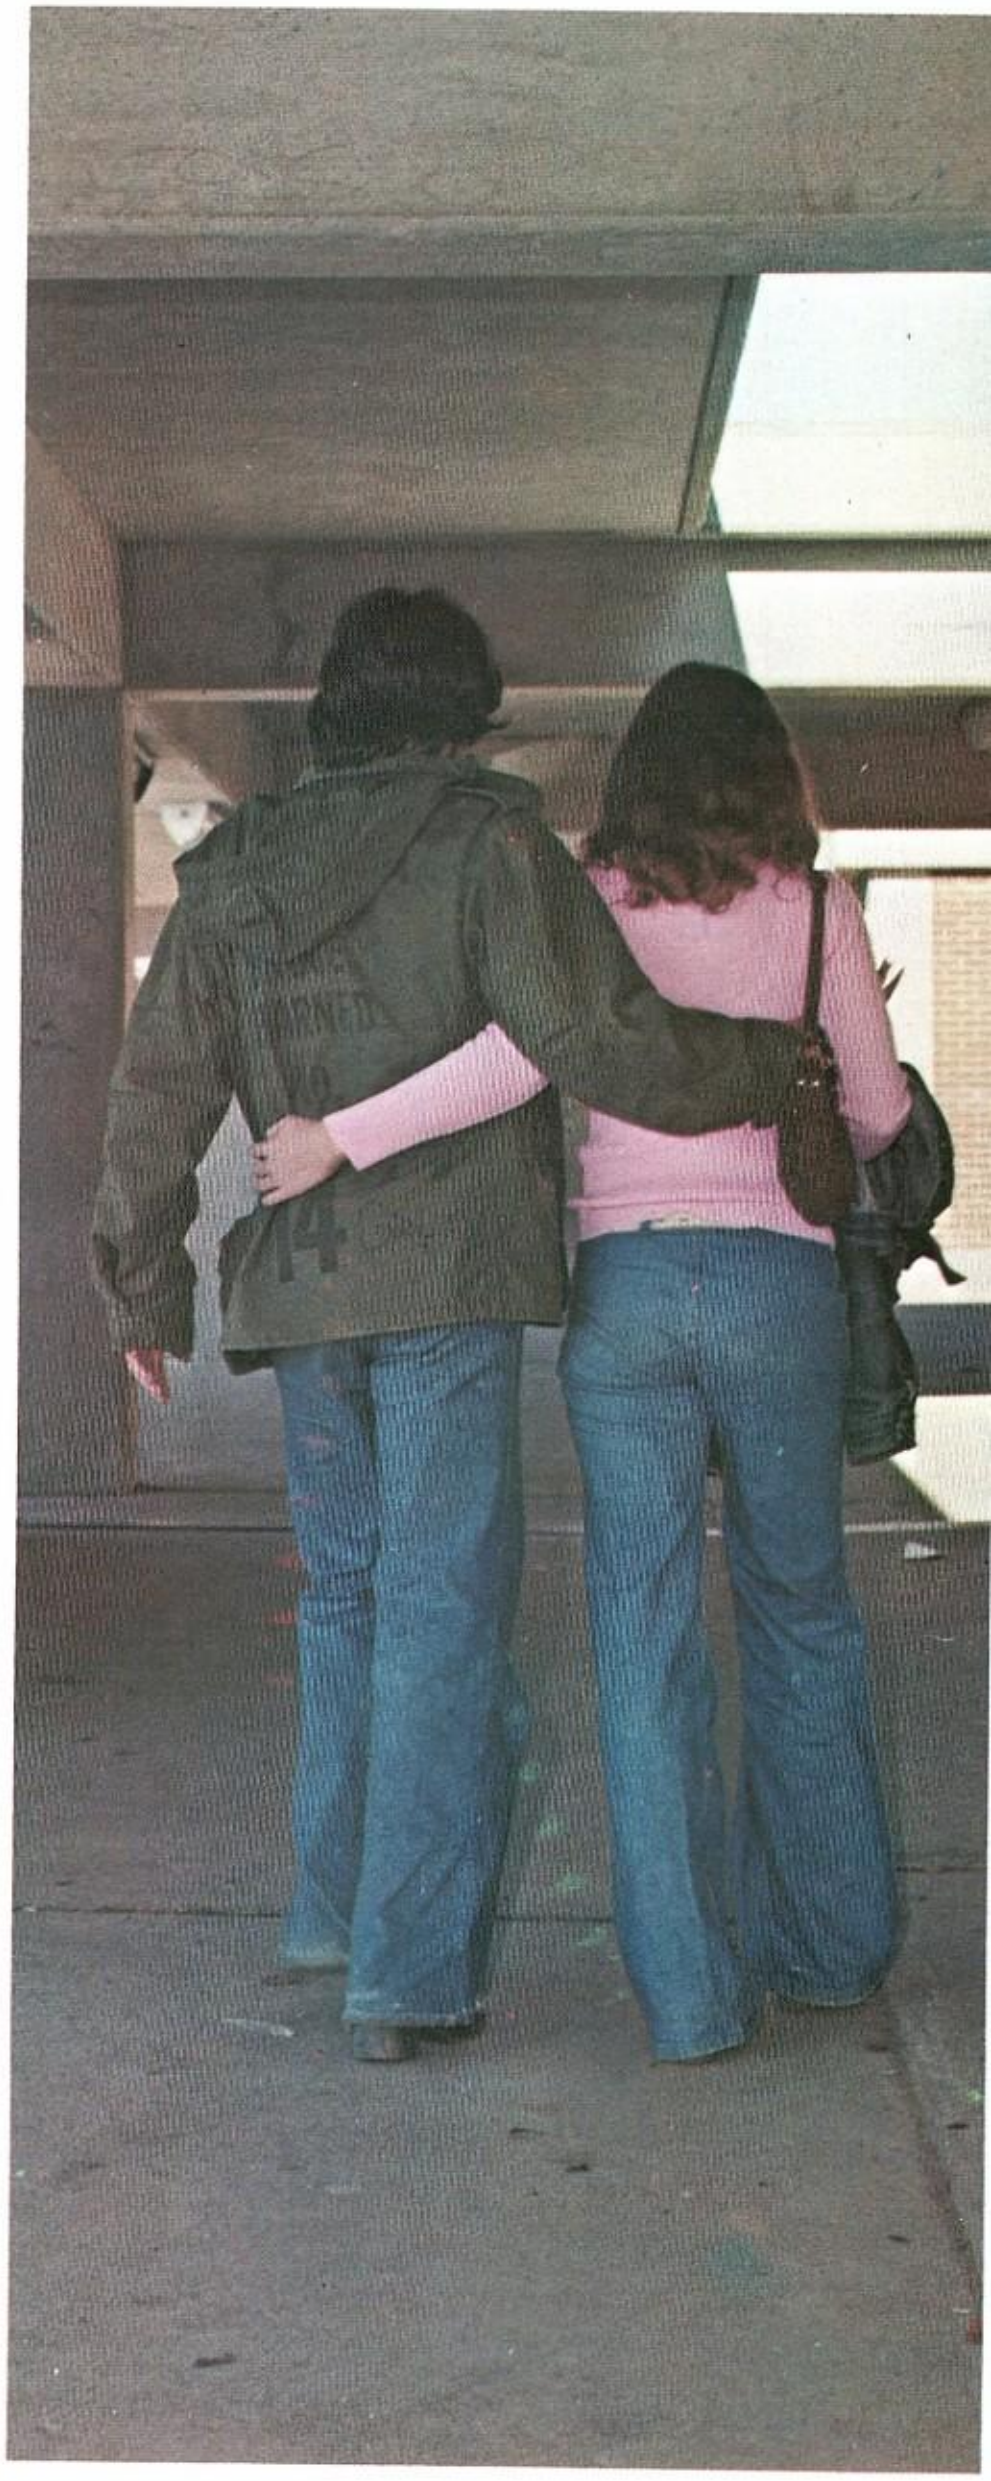
The Spirit Of America

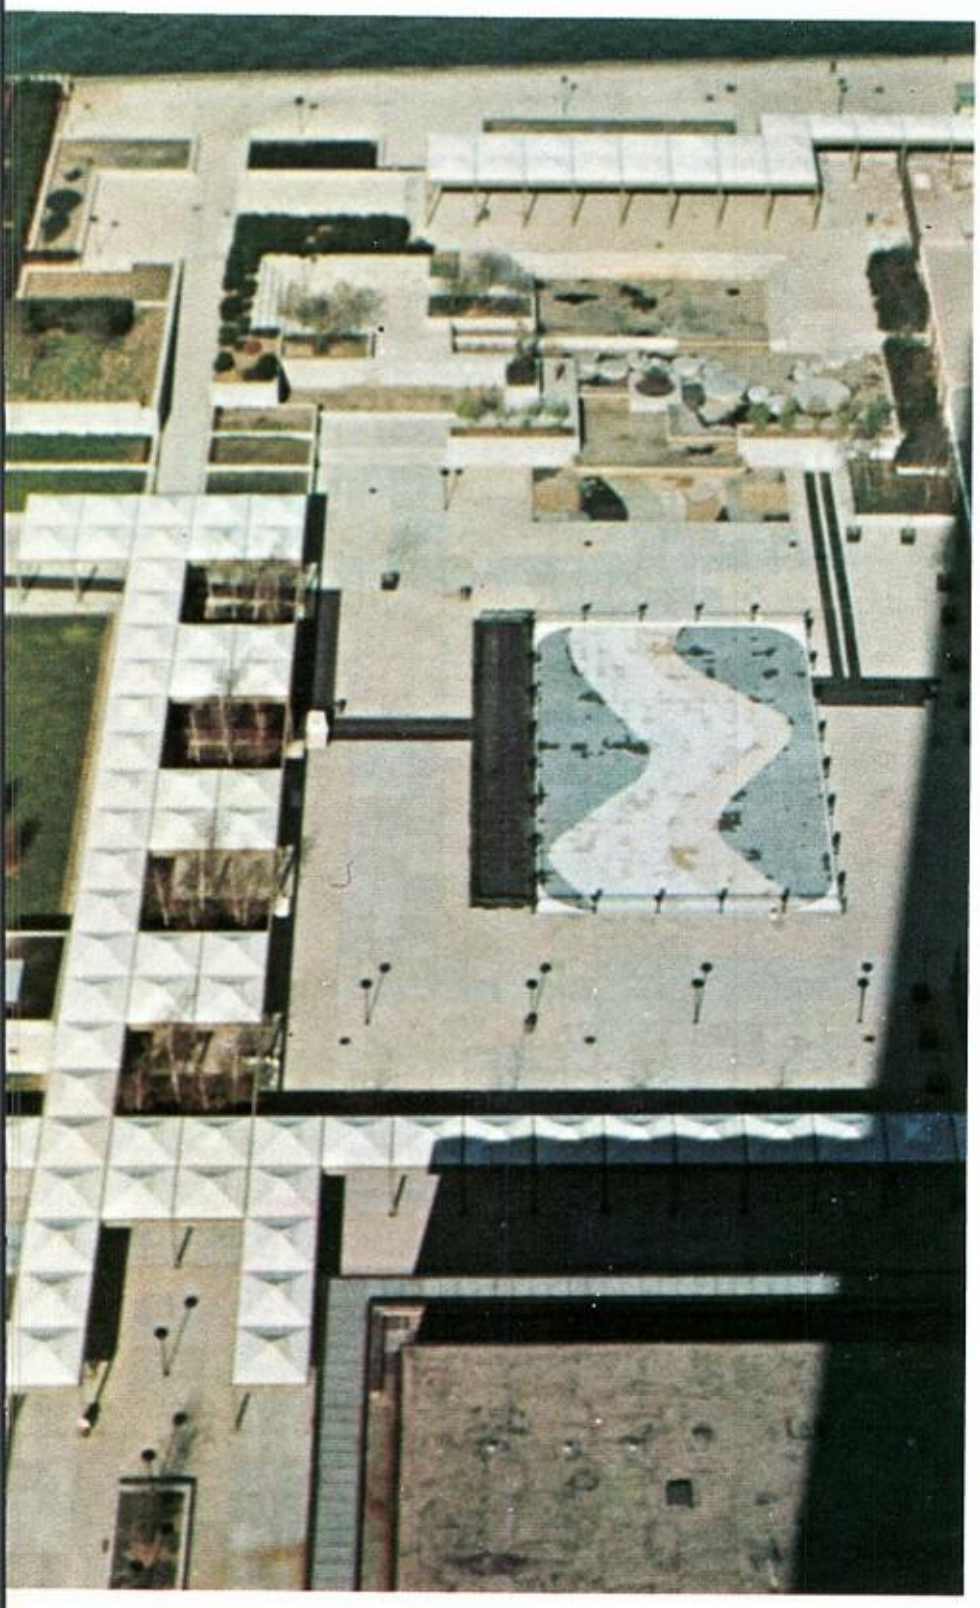
Many of our country's heroes have been honored with a statue or monument in commemoration of their great deeds. Because of the Bicentennial year we thought it would be appropriate to show a few of these heroes.

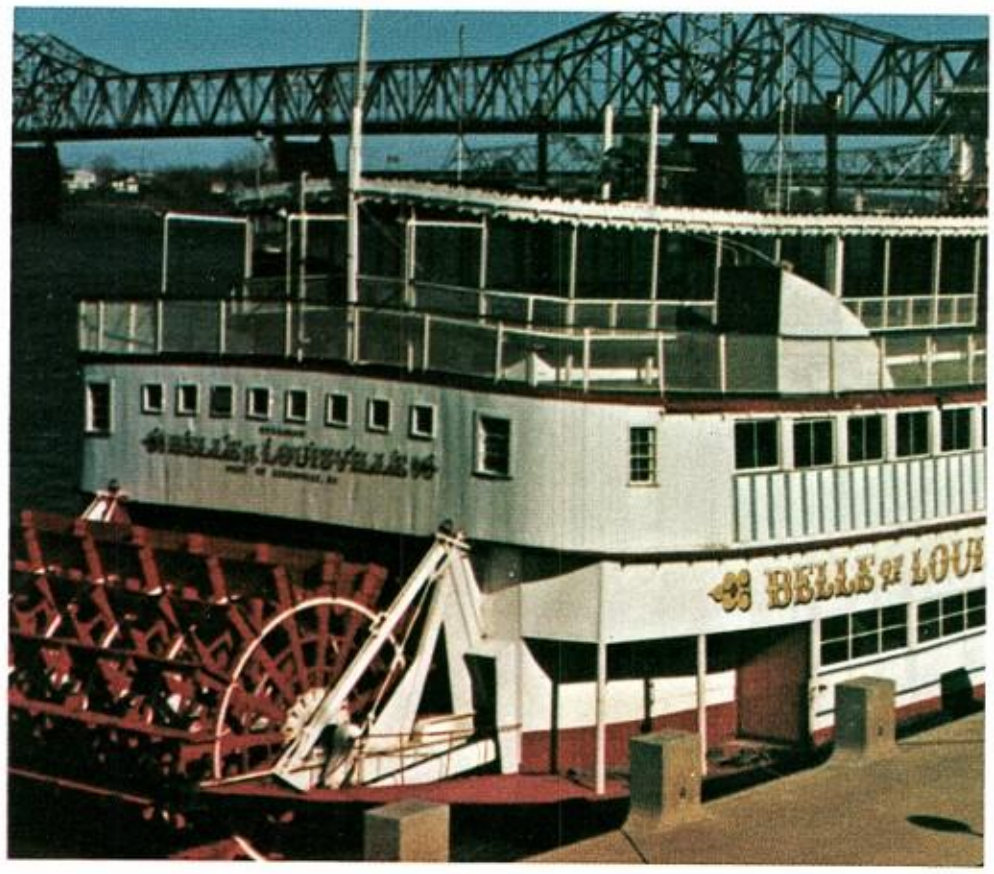
Looking Back . . .

As the school year begins, the students at Jeffersontown take a last look at the quickly fading summer of '75. Fond memories are now a part of the past.

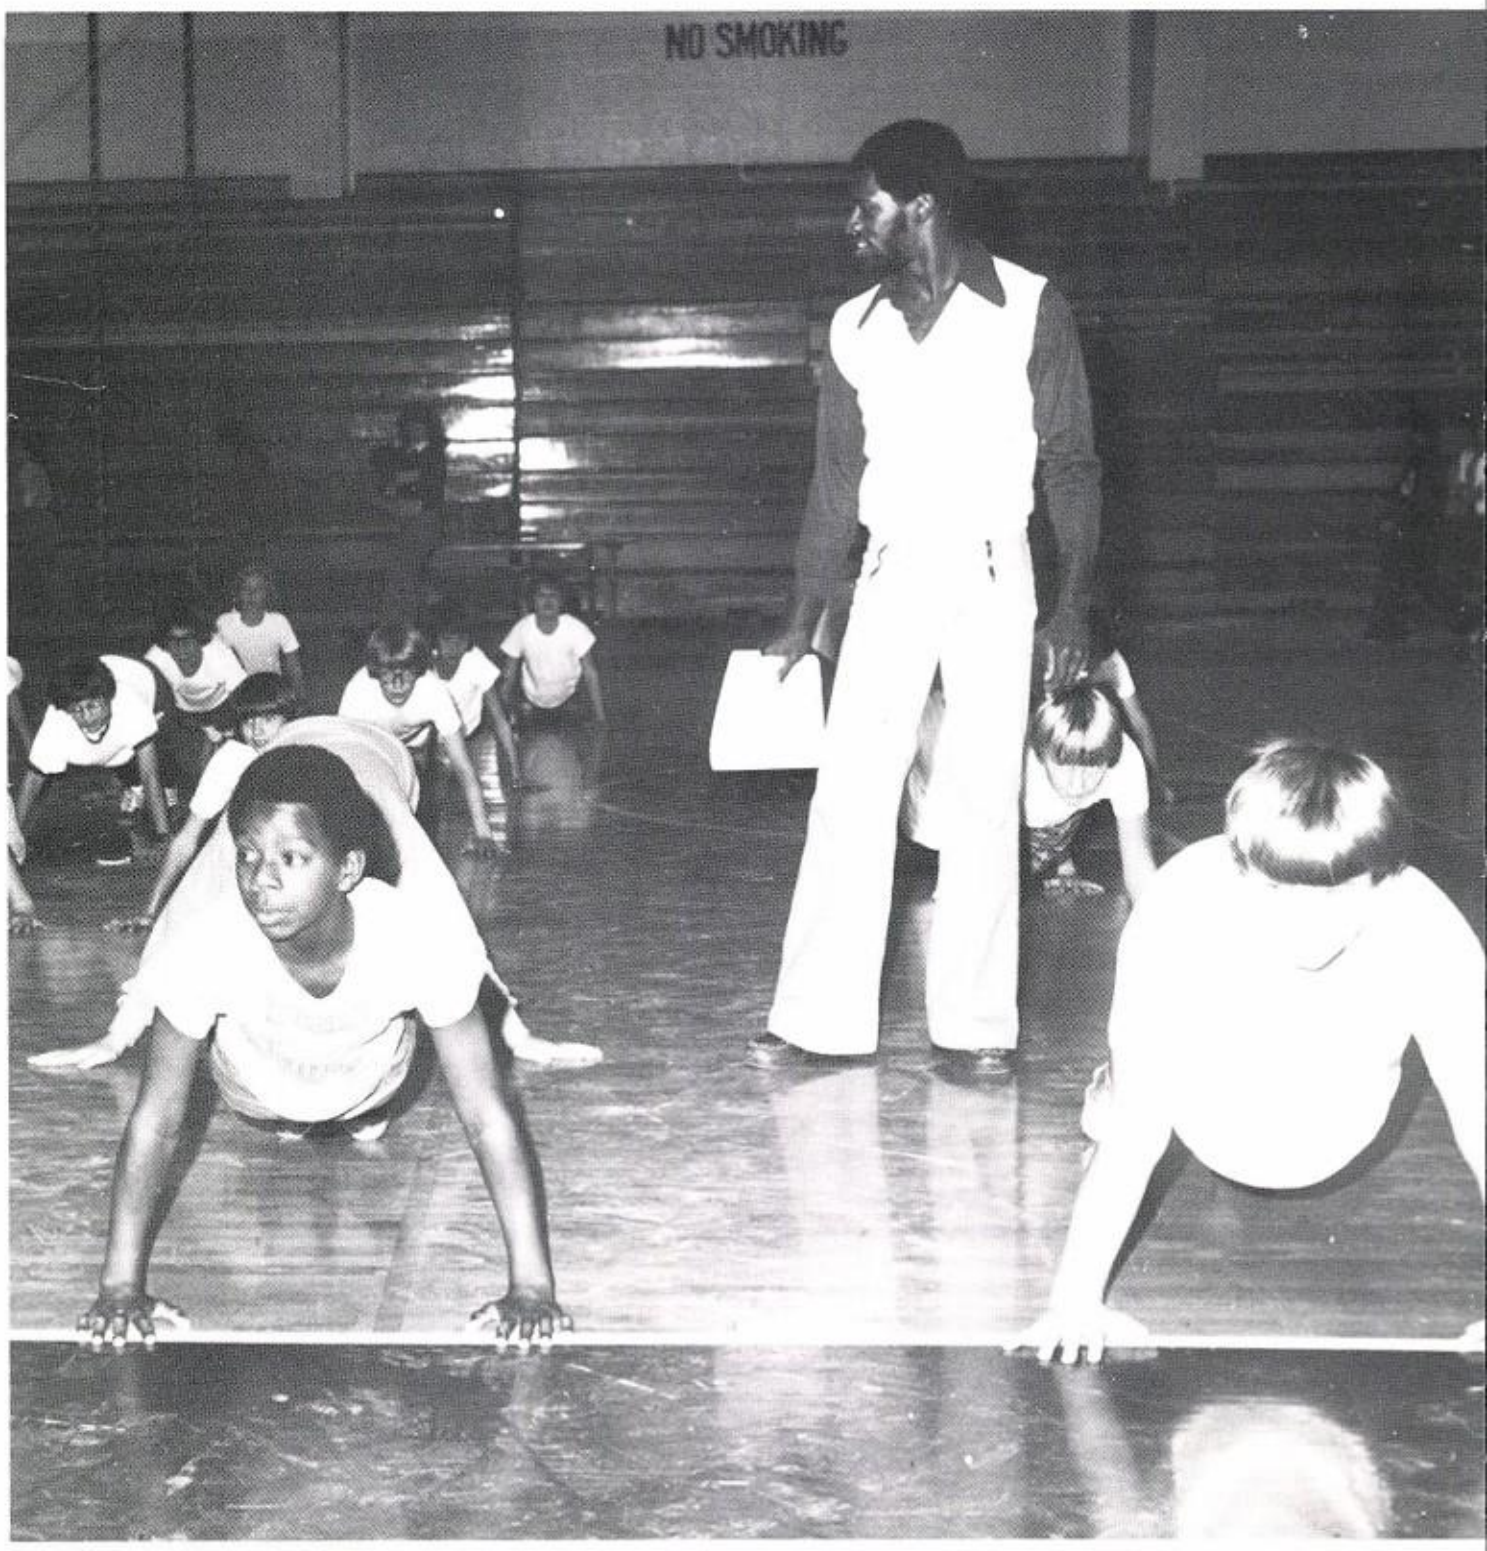






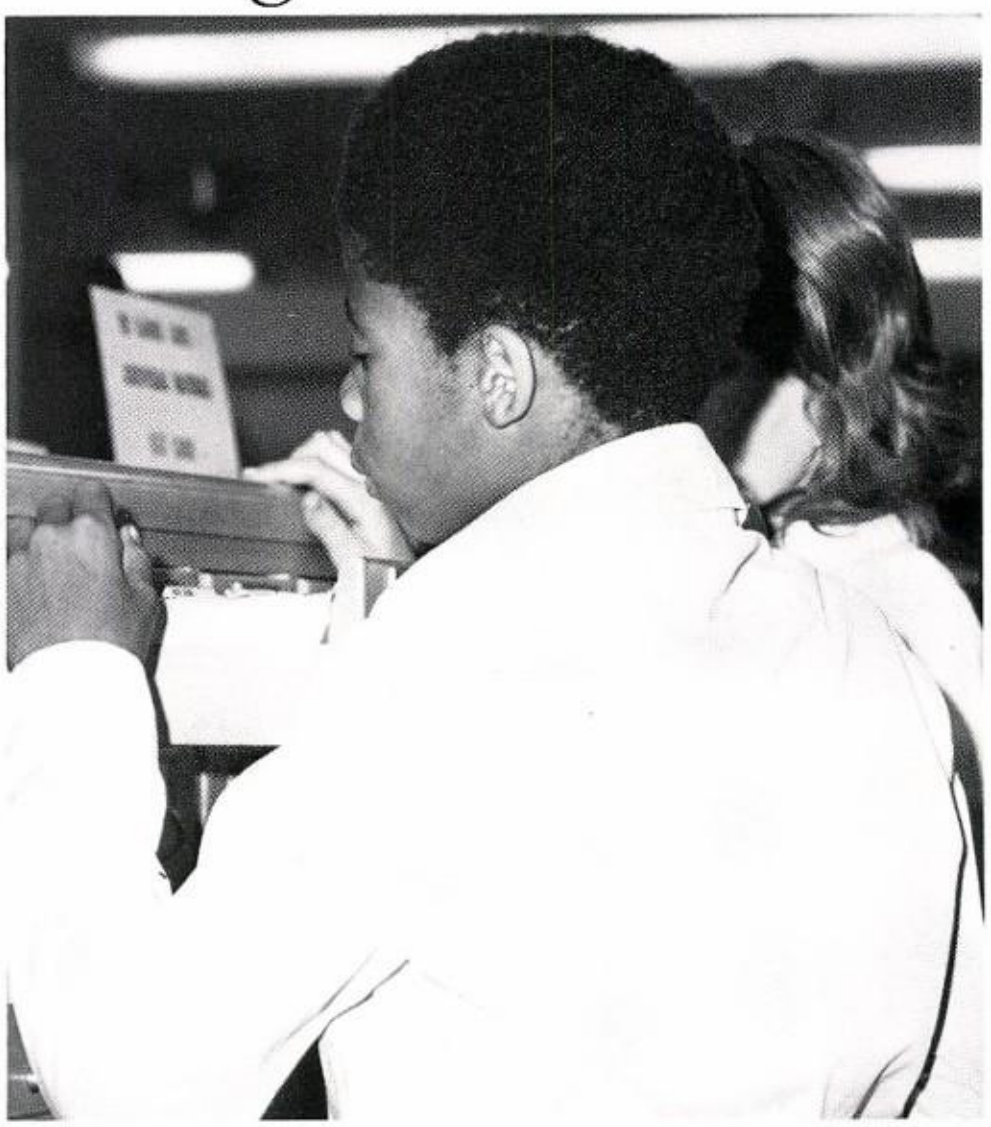


BELLE of LOU



The doors opened earlier this year at Jeffersontown High School and many students found themselves waking before daylight. Busing brought many new faces to our school; the adjustment was rough at first but with everyone working together it all went smoothly.

Students Brought Together By Busing



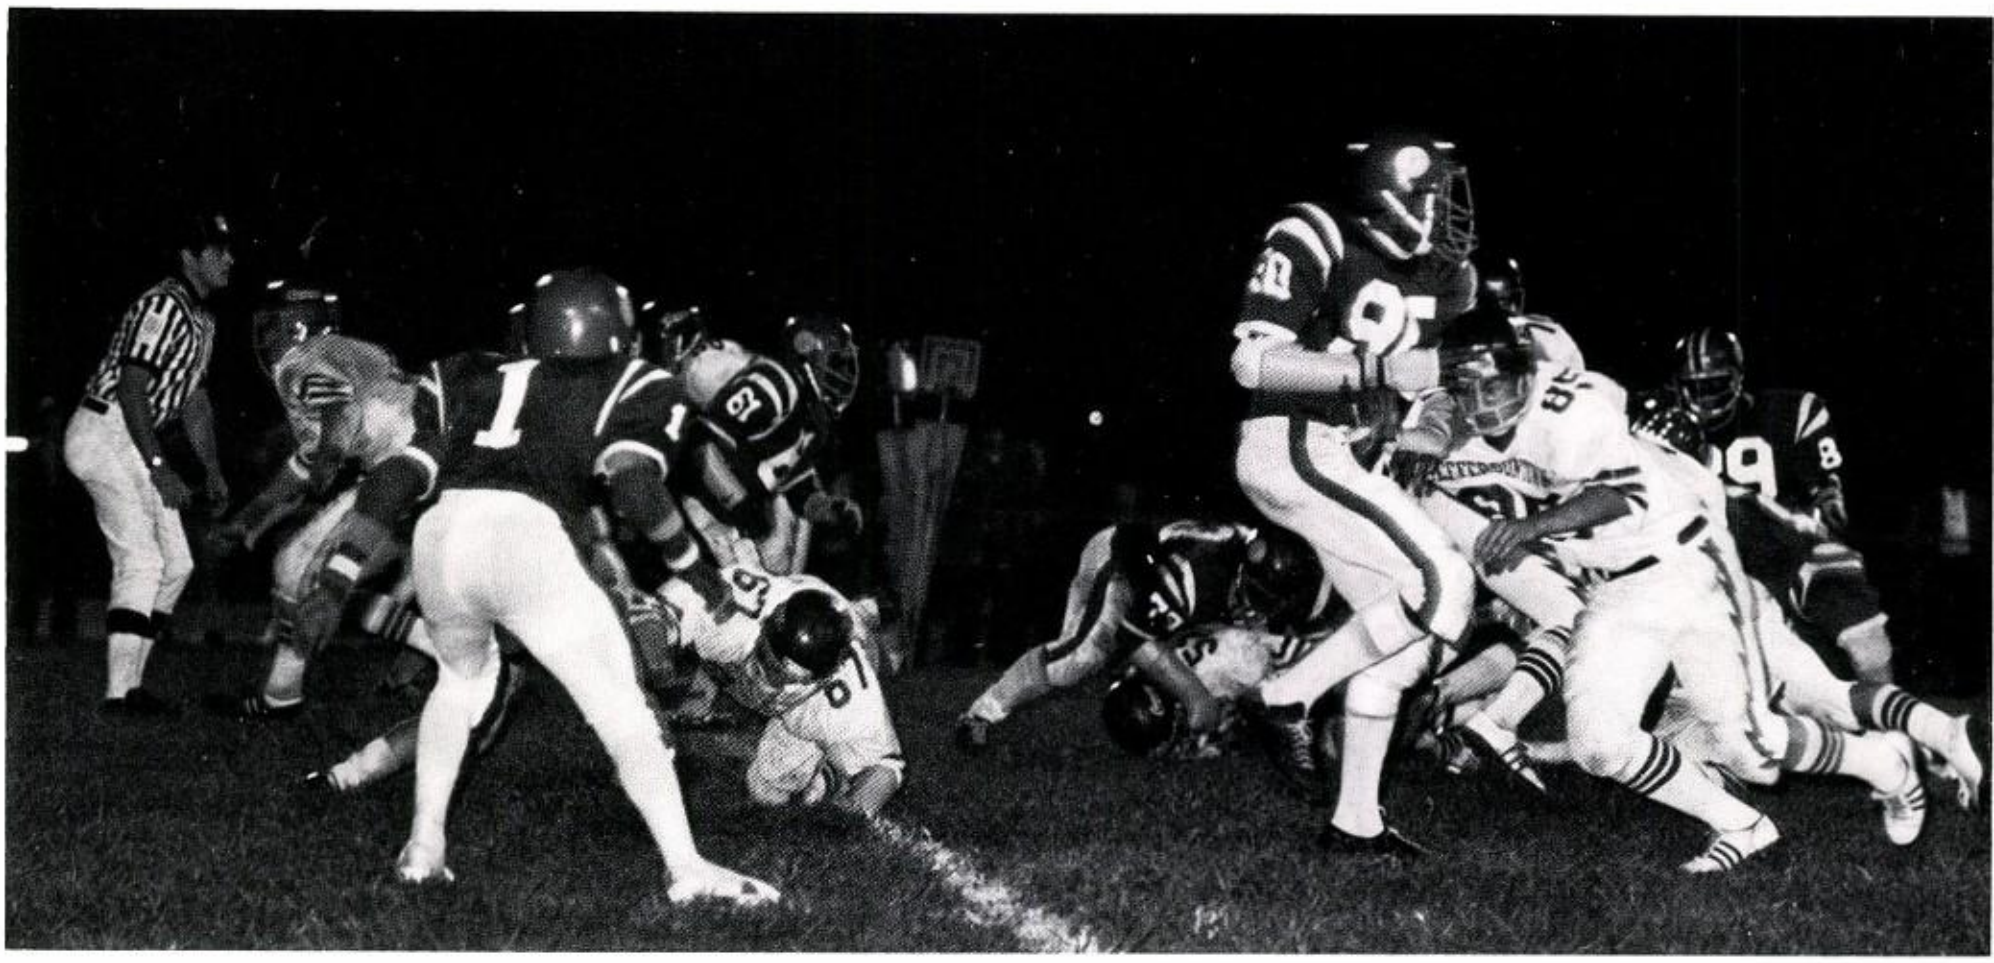
Fall Arrived With The School Year

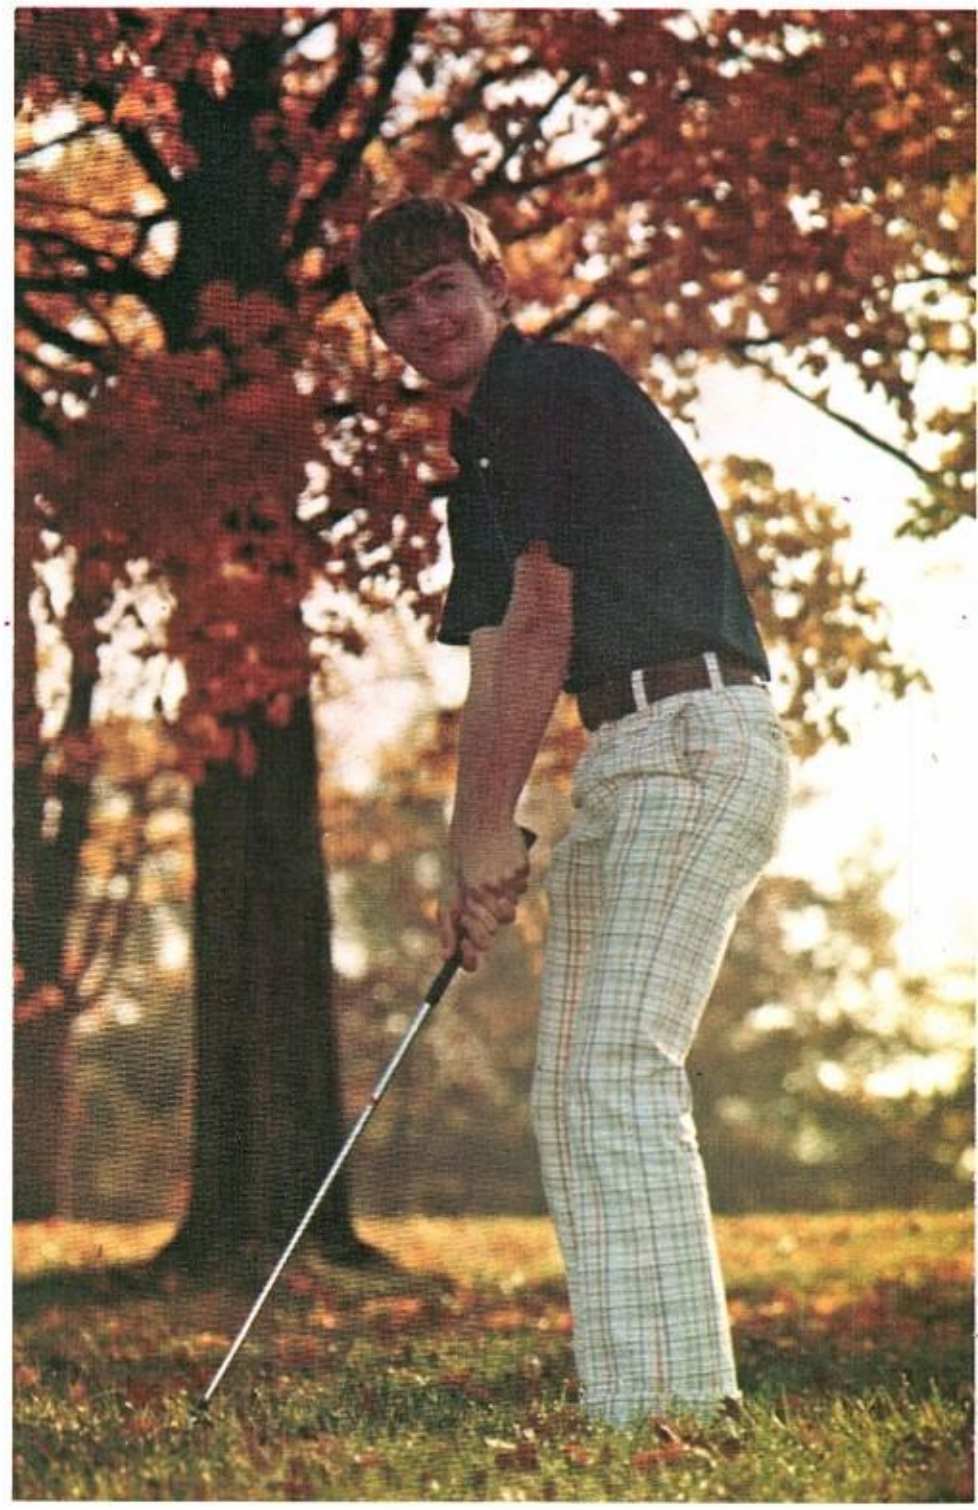
It was a special time for solemn thoughts shared with a special friend or just by yourself.

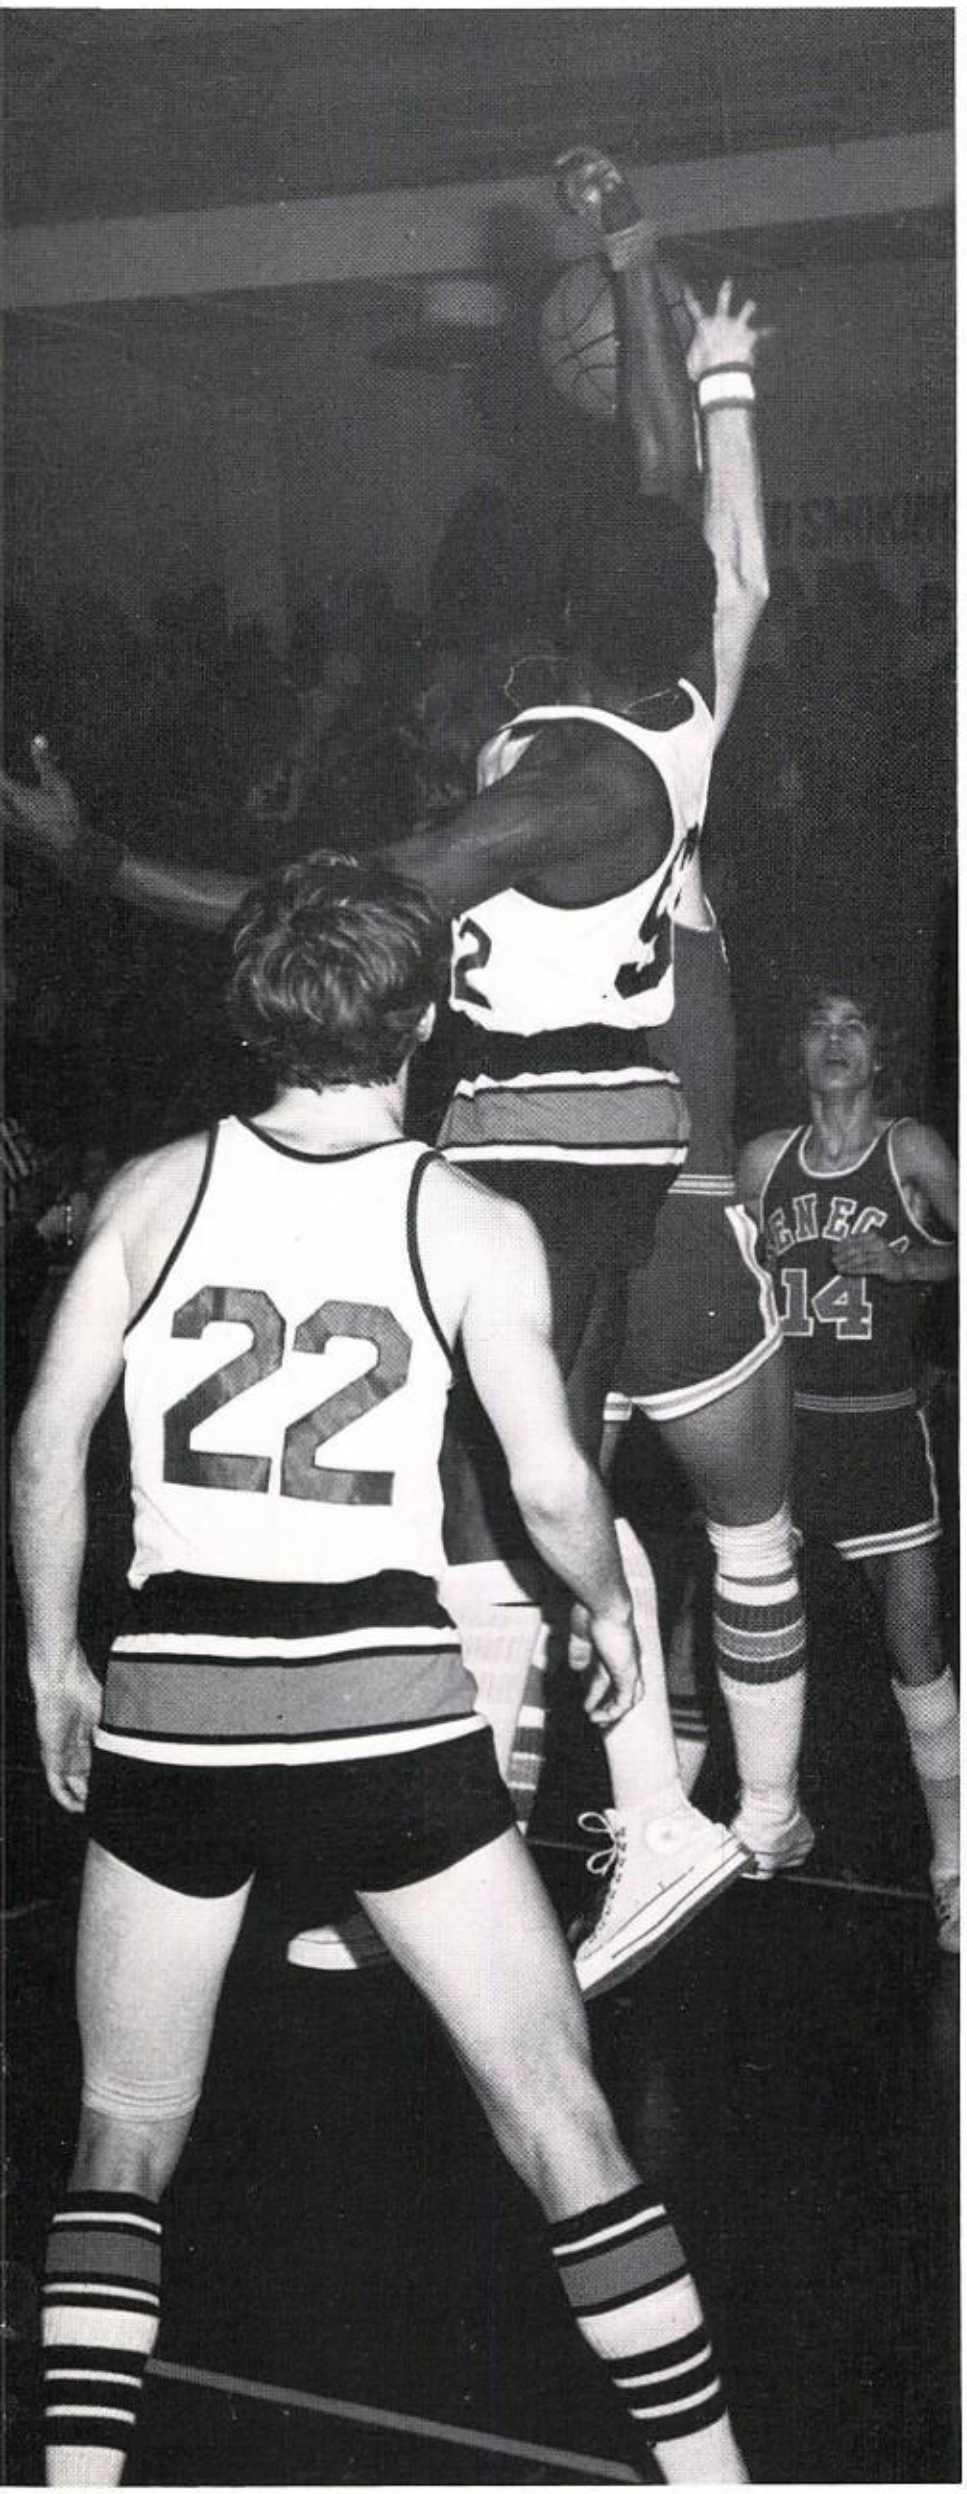
KAWASAKI

Another Day . . .

As the school year progressed it became more and more evident that catching a bus at 6:00 in the morning was not everybody's idea of a great way to start the day. Many students provided their own transportation, causing mass confusion for all.







Young Americans

The students at Jeffersontown are finding that it is a school for physical as well as mental development.

If you love something set it free; if it comes back, it's yours; if it doesn't it never was.

Through these few years at Jeffersontown High School
Our class has brightly shone.
Our victories and successes serve
To bind us now as one.
For we are Youth — we live today
Though searching far beyond.
Our dreams and hopes shall long endure
Though times spent here are gone.
Depart from J'town — we must go
Into a world we little know
And leave with sadness those we knew
But yet our spirit shall shine through.
With memories lasting all our lives.
In the future we will mix,
Yet in our hearts we will remain
The SPIRIT of "76."

Principal Offers Leadership, Strives For Unity

William R. Craigmyle, Principal

Principals have been associated with such evil persons as the warden of a prison or the dictator of an evil and unjust government. Isn't it great that at our high school we have a principal who is an understanding gentleman and runs our school so well that we can't criticize, put down or blow our tops off at the administration? How did we get so lucky as to have a principal who is always willing to listen to our problems or suggestions? How did we rank so high as to get a principal who puts the good of the students and faculty first and always has a smile and a laugh no matter how terrible the situation? Just how did we get Mr. Craigmyle, a man who puts everything he has into making our school the best it can be? I guess we get all the breaks at Jeffersontown.

— a student

Mr. Craigmyle brings out the best in the people working around him by the faith he places in them. His kind, considerate, and understanding way makes him a superb boss. "You better believe it."

— a staff member

I have known Mr. Craigmyle only a short time, but due to the different school activities in which I am involved, I have found that he is a hard working principal with the ability to do many things. He is a very nice person, easy to get along with, and a dedicated faculty member. I think he has done a great job at Jeffersontown High School since he became principal.

— a student

Craigmyle! Craigmyle! He's our man. If he can't do it, nobody can! Corny, but true. The best thing that ever happened to Jeffersontown was getting Mr. Craigmyle as principal. He is never on your case. He is fair, interested, friendly, hard-working, and sincere. What else can we say except to say that we want him to know that he has our love and respect.

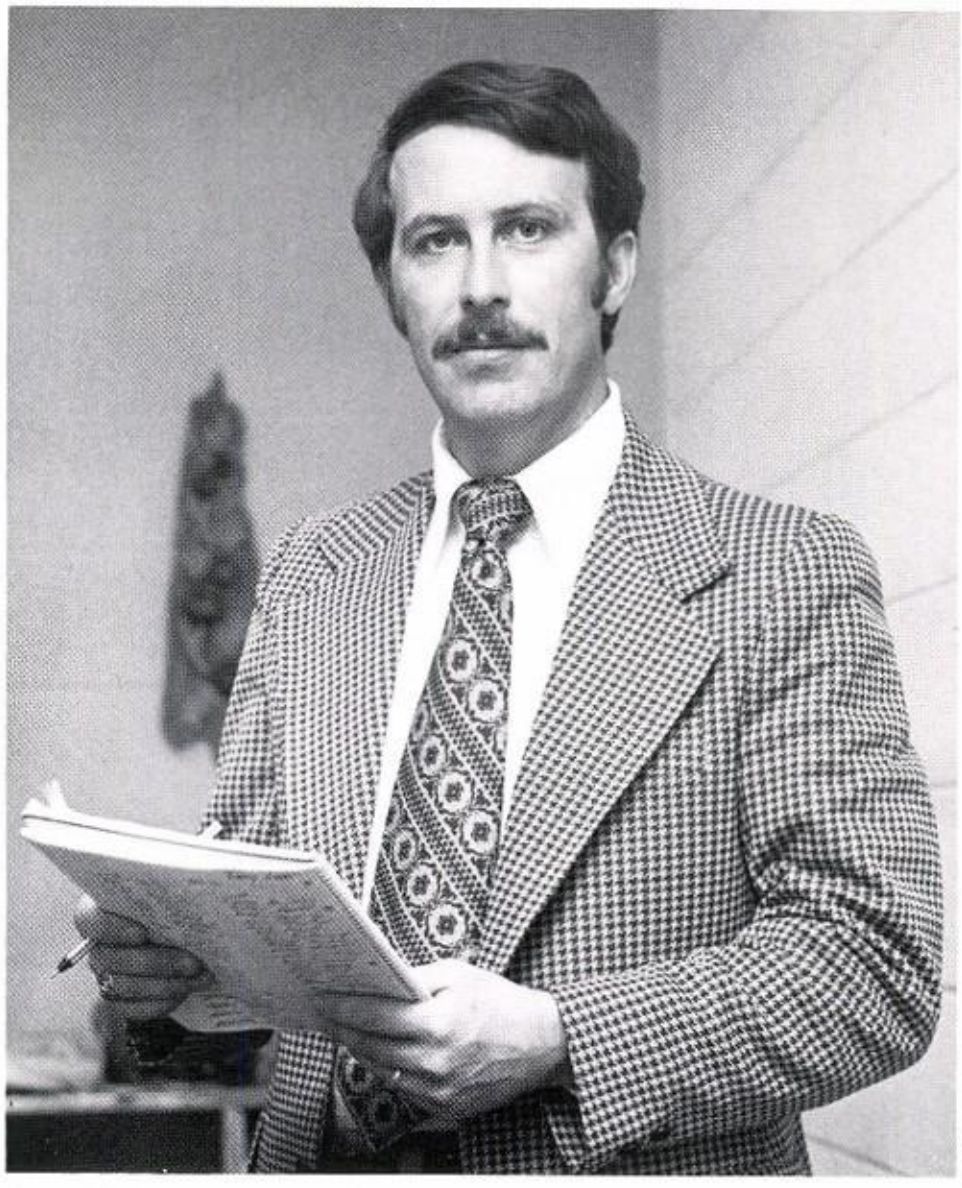
— a teacher

Assistant Principals Supervise Students And Faculty

Jeffersontown is very proud to have a strong and hard working team of assistant principals who work with energetic enthusiasm throughout the school year. This tremendous trio consists of Mr. Sexton and Mr. Mathison of the Senior High and Mr. Hoffman of the Junior High.

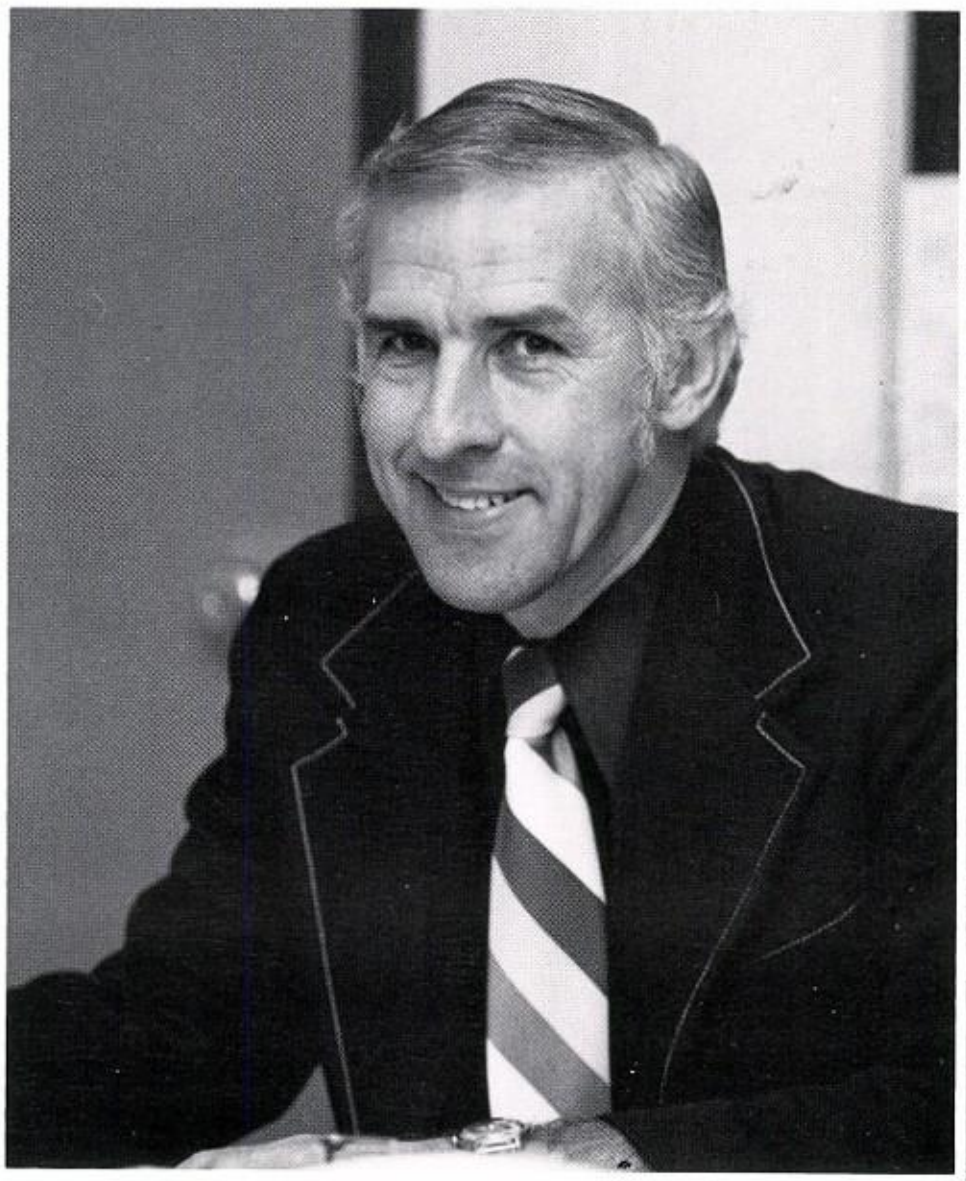
Though Mr. Sexton is famous for his role in disciplinary actions, he also spends an unbelievable amount of time on the Computer Master Scheduling, grade reporting, and attendance. The newest member of the assistant principal team, Mr. Mathison, heads the school's activities and transportation. Although this is his first year at J-Town, he has very quickly become familiar with students and faculty and become involved in their activities. Mr. Hoffman, who works with the Junior High, is in charge of discipline for those grades and runs the Free Textbook program.

Each of these three gentlemen offers unique qualities of leadership to our school and each deserves our sincere gratitude and whole-hearted support.



James A. Sexton, Senior High

Charles Mathison, Senior High



Virgil Hoffman, Junior High

Counselors Offer Planning And Advice

Our counselors and Instructional Coordinator should be considered "problem people." They try their best to help and aid us, thus making our problems their problems. Always on their toes to relieve student's personal and school troubles, the counselors remain extremely busy all year. It would take more than a million thanks to even begin to express our appreciation to these dedicated people.

Finding a time that all the counselors are free to have a group picture made is difficult, but here is the evidence that we almost made it!

Essential Personnel Provide Needed Services

It's a rare sight to see dusty locker tops or eat a cold meal for lunch. This is because of the efficient and hard working staffs here at Jeffersontown High School. We feel that much of the credit for a smooth running school day should go to the people on the Cafeteria and Custodial Staffs, and we want them to know that we appreciate the many things — big and little — they do to help make our lives more pleasant and enjoyable while we are here at school.

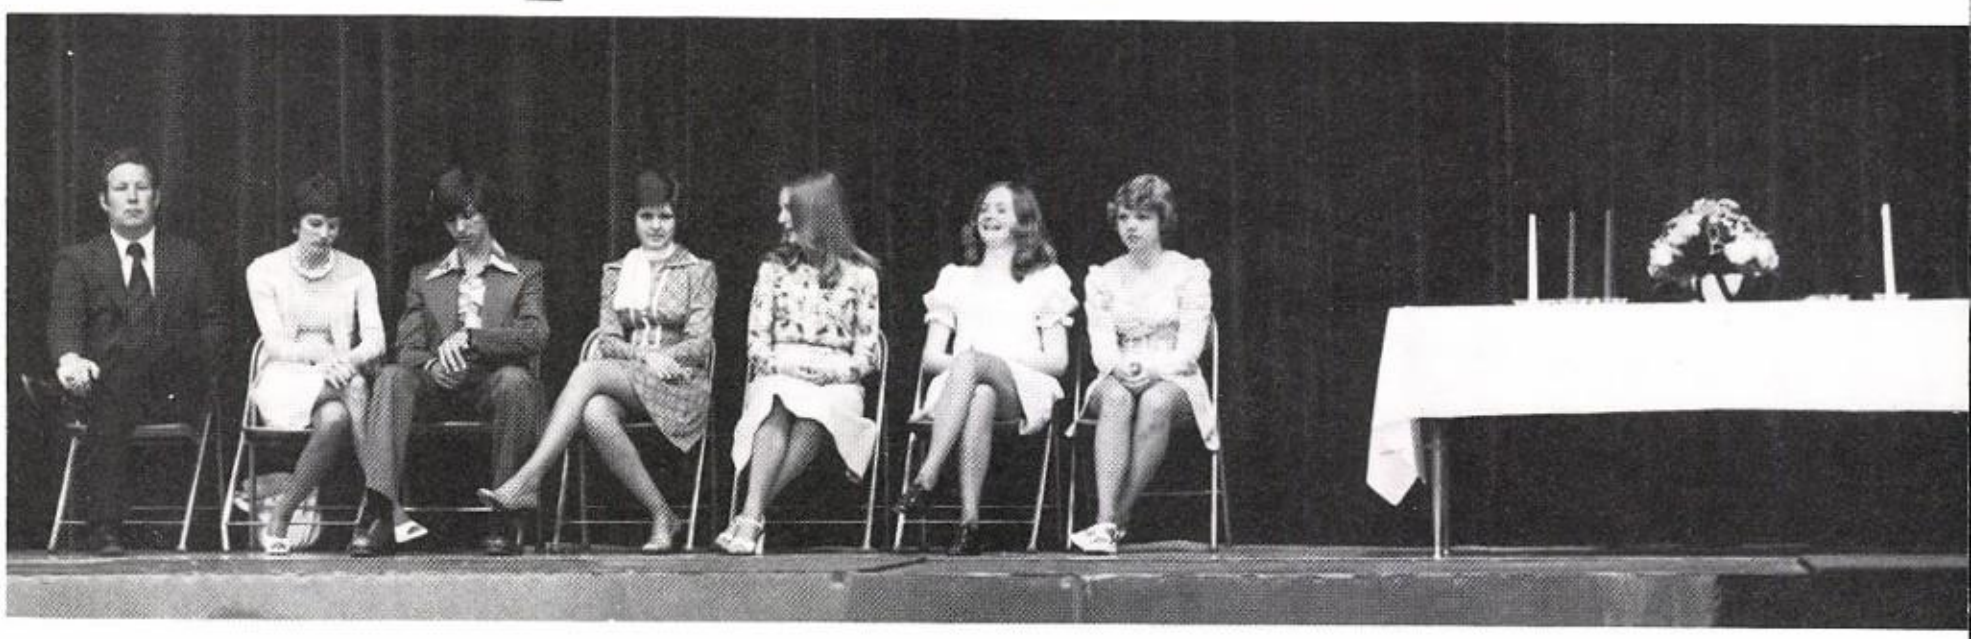
Senior High Beta Club



There is an organization within the walls of our school that deserves the admiration and the gratitude of the student body and administration. This is, of course, The National Beta Club. Along with sponsoring the Miss JHS contest, and service projects for Childrens' Hospital, they also provide the money for a $250 scholarship given each year to a deserving senior. Indeed, these young scholars deserve credit for outstanding work.

The 1975-76 Charger Staff started off slowly, with everyone willing to learn. After meeting a FEW hectic deadlines, they have found that although producing a quality annual can be a hassle it is also a rewarding experience. We would like to express our SINCERE appreciation to the student body, administration, and faculty, for co-operating with the yearbook staff in its efforts to publish a yearbook of which we can all be proud.

Student Council

Sponsor — Mrs. Montgomery, V. Pres. — Donna Bailey, Treas. — Sherri Son, Sec. — Laurie Vaughn, Pres. — Claude Stephens.

The Student Council has worked hard to help stabilize this school year with the unique problems and opportunities brought on by busing. Though the annual Christmas program could not be held this year, the Student Council made a great effort to carry on the school's holiday spirit. Christmas trees, decorated by the students, were set in the front halls. Food, toys, and clothes were collected under the trees to be presented to the nearby families. Contrary to what a lot of people have expected, the Student Council continues to function as an influential and worthwhile organization.

Marching

It was a new year for the Marching Chargers. The band has been under the excellent leadership of Bobby Quinn as Drum Major, and many new changes have taken place this year. Along with entertaining the crowds at football games and pep rallies, they had a few members who were honored by invitations to the All-State Band. They were as follows: Bobby Quinn — clarinet, Amy Crouch — flute, Peggy Clayton — trumpet, and Clancy Dixon — bass clarinet. Along with this, the band won the Ohio County Band Contest. None of this would be possible without the hard work of the band members and the never-ending perseverance of Lamar Richardson.

Stage Band

Along with playing at all the home basketball games, the stage band also performed at the ROTC Ball.

Jr. High Band

The Jr. High Band serves as the building block for the Sr. High Band. They also participate with the Sr. Band at all the concerts.

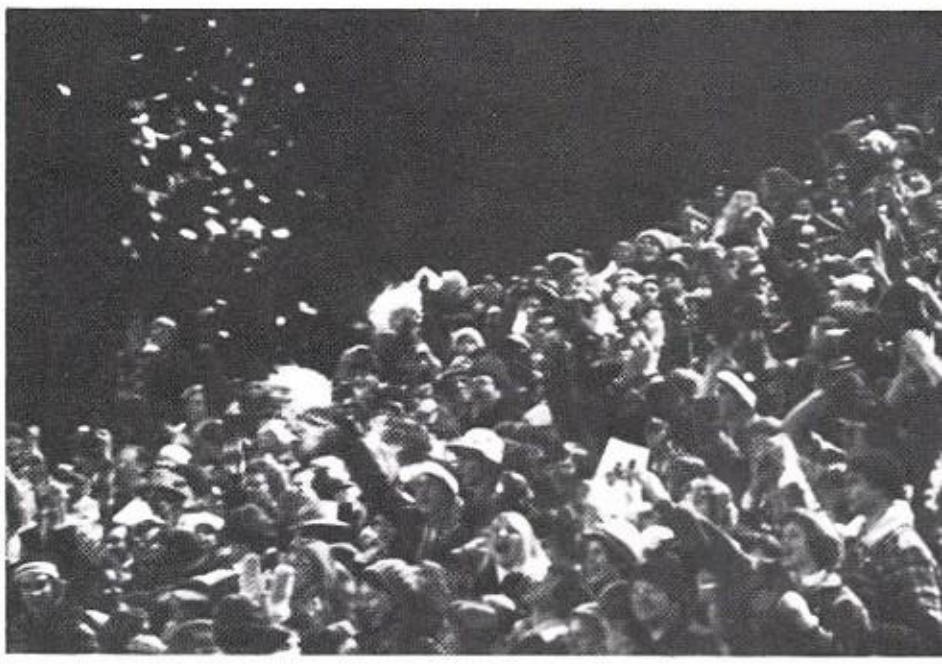
Orchestra

The orchestra has been very successful at J-town even though the classes are still small. Jamie Garrett, Sonia Luna, Kim Mothershed, Jackie Stearns and Kathy Stearns are members of the Louisville Youth Orchestra and were selected this year to participate in the Louisville Area Cluster Orchestra. Kathy won the Louisville Women's Club Music Competition last year. Kathy and Jamie proved their musical talent by placing first and second runners up resoectively in the Miss JHS Pageant. Both the orchestra and its individual members have consistantly received superior ratings at the KMEA Contests.

Pep Club

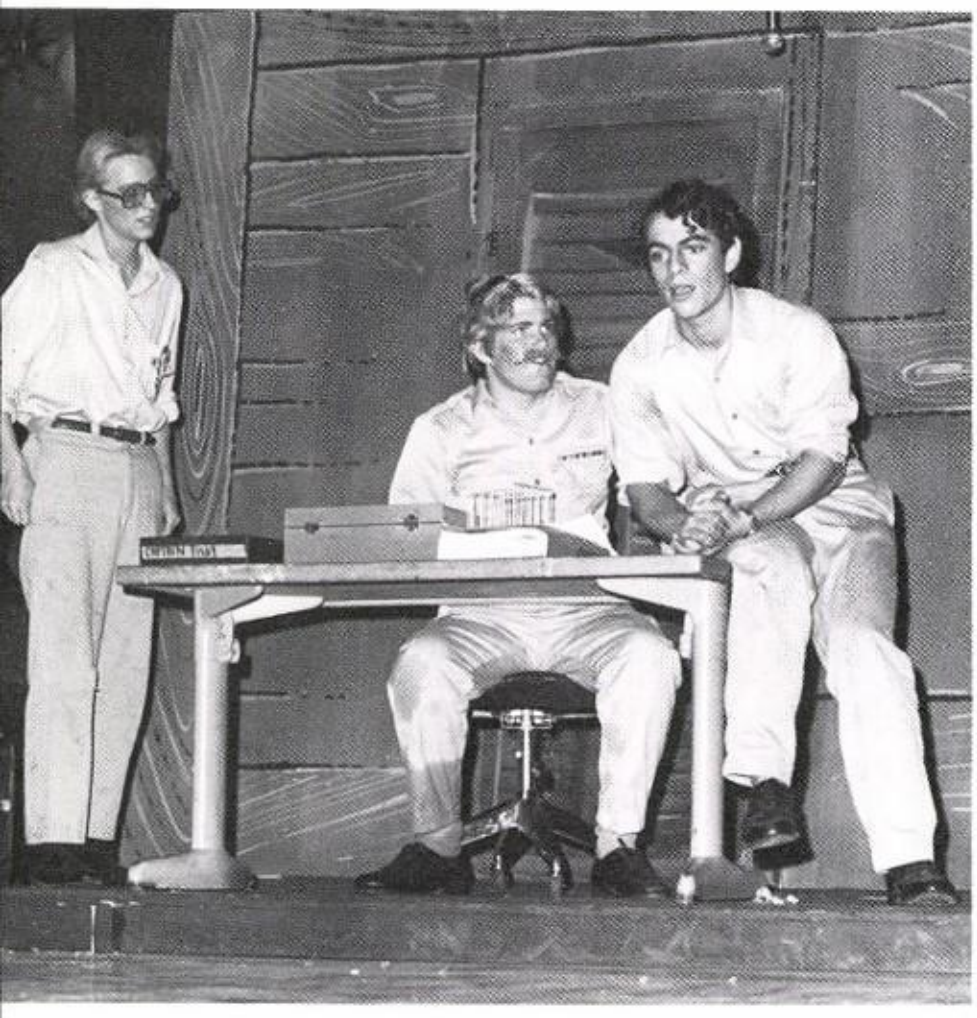
CHARGERS

Terry O'Connor, Sec.; Jackie Willett, Pres.; Cathy Sparks, Treas.; Debbie Drummer, V. Pres.; Charita Burns, Reporter; Sponsor, Mr. Wilson.



The 1975-76 Pep Club was once again a success as it sought to keep alive the spirit of the fighting Chargers. This club is very active in planning the pep rallies and sponsors the Spirit Link Contest to help raise money for the club's activities. The student body extends its thanks to all the people who take an active part in this club.

1976 Thespian Society



The Thespian Society is an International organization dedicated to enriching Theatre Arts at Jeffersontown. Many hours of long, hard work have been spent putting on many excellent productions such as "South Pacific" and "Teahouse of the August Moon." For the time and energy that Mrs. Rose has spent directing the school's productions we would like to thank her and extend our humble appreciation.

Would you know what 13 times the reciprocal of 27 plus 34 divided by the square root of 45 is? Someone on the Math League or the High-Q Team could probably give the answer in no time.

Jeffersontown High School is a member of the Louisville Mathematics League, an organization which recognizes and awards academic achievement in mathematics. The league has four meets during each school year. So far this year, J-town is in first place in their district. Gary Albin is first in the senior division; Jay Bailey and Keerthi Kemparajurs are second and third respectively in the sophomore division.

High-Q, an organization to honor outstanding achievement and quick recall in high schools, is sponsored by WAVE Television. Twenty-five or more schools in the WAVE viewing area perform on live television on Sunday afternoons between January and late May of each year.

Chosen after several days of written exams and oral competition, this year's senior team is striving to continue in the excellent footsteps of last year's team which won matches against Seneca, Fern Creek, and Ballard only to lose to Country Day in the finals.

Along with this year's team, three hopefuls, Susie Maddox, Sona Luna and Keerthi Kemparajurs, who were the outstanding underclassmen in tryouts, are practicing each Thursday hoping to be on the team next year.

We not only extend our congratulations to the members of these two teams for their outstanding achievements but also wish to thank them for representing our school so effectively.

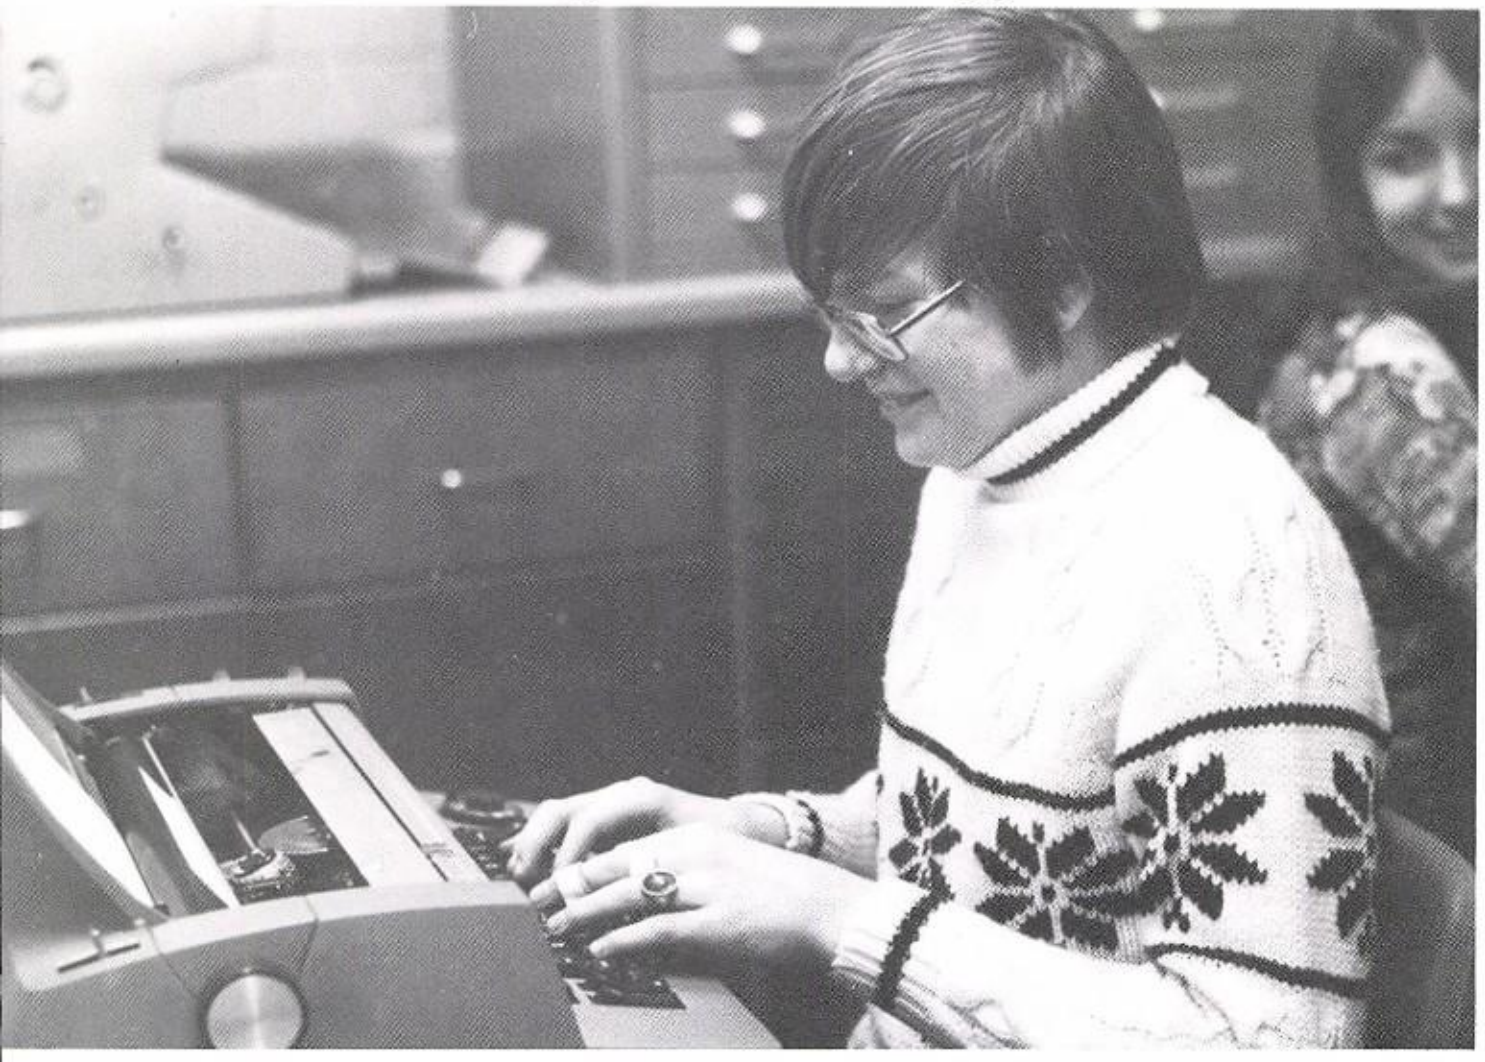
Imprint Staff



The Imprint Staff is made up of two groups, the writing staff and the production staff. These two groups come together to produce a fine newspaper. To the students who devote many work-filled hours to the fine art of journalism and to the sponsors, Mrs. Lacy and Mrs. Samuels, who provide excellent supervision, we say "Thanks for a job well done."

The Ecology Club was founded during the 1973-74 school year with the joint purposes of improving the environment and teaching others about ecology. With these aims in mind, the Ecology Club has sponsored several projects to benefit our community, including a paper drive and a car emission clinic.

The club's main project for the 1975-76 school year was designed to benefit J'town students as well as the environment. The club sponsored an aluminum drive contest in which the class collecting the most aluminum would receive 25% of the profits made from the sale of the aluminum. The Ecology Club's share of the profits was used to finance nature study trips and other environmental projects.

The Hurstbourne Kiwanis Club works with the Key Club in sponsoring their service activities. These fine young men have worked on various school and community collections, and they have assisted in the annual Science Fair here at J'town.

The Future Homemakers of America Chapter at Jeffersontown High School is an active and progressive club. Learning about careers and giving service to the school and community are some goals that these girls have set for themselves. To these ends they have visited a Day Care Center taking hand made stockings filled with candy, and listened to a speaker from the House of James Beauty Salon. During Teacher Appreciation Week they plan to serve refreshments to the teachers. In keeping with the Bicentennial celebration, they have undertaken the project of making a patchwork quilt.

It is quite evident that this is an organization which would have purpose and meaning for anyone interested in being a member.

The Kentucky All State Chorus was held Feb. 5-7 at Louisville's Executive Inn. After many long hours of rehearsal, the chorus, under the direction of Dr. Nathan Carter of Baltimore, Md., performed with the Kentucky All State Band. Jeffersontown was represented in the chorus by eight students who learned much over the weekend, along with over 300 other students from throughout the State.

Students in the Choral Dept. also represent our school in other community choral organizations. You'll find several of our students in the Louisville Youth Choir, the Louisville Boys Choir, the Motet Singers, Actors Theatre and other musical activities.

This year our students have performed for 5th District P.T.A., have performed with our cluster schools in a Bicentennial program, and have given Christmas and Spring Concerts, as well as other concerts in the community.

Marine Corps Junior ROTC

Col. Huntzinger

First Sgt. Ebert

Colonel Huntzinger, Senior Military Instructor, fits a hat on Cadet Kim Horan in the clothing storeroom. This new facility was designed to accommodate not only present, but future requirements for our ROTC program.

Karen
To a fine young lady and good cadet. Best luck always,
1st Sgt Ebert

Karen
Good luck.
Hope you get your
guy.
Gary
"76"

The Marine Corps Junior ROTC occupied a new facility this year constructed at a cost in excess of $200,000.00. Perhaps the finest in the entire United States, this modern complex consists of a classroom; a library utilized for lesson plans, reference material and training aides; office spaces for both instructors; a modern and complete clothing storeroom; an armory used for storage of drill rifles and marksmanship training equipment; and a ten-point rifle range which is electrically operated. The rifle range is used in the marksmanship training portion of the training program. Targets travel on overhead rails and return to the shooter for marking and scoring. Such a device precludes wasted time in shooters walking to the targets and is considered a most modern safety device.

The Junior ROTC is in its fifth year at Jeffersontown and has consistently won honors. They have been named the "Best of Kentucky" for two of the past. three years, and have captured the coveted "Most Outstanding Unit" award for three of the past four years for units in the 4th Marine Corps District.

Language Clubs

These four student organizations help to implement the goals and objectives of the Language Department. They act both independently and in collaboration to provide extracurricular activities which will increase interest in and understanding of foreign language and culture. These clubs attend the International Folk Festival in Cincinnati, and they produce their own festive International Day Program. Other activities include plays, concerts, seminars, conventions, and dinners, all of which add interest and enjoyment to the study of foreign language.

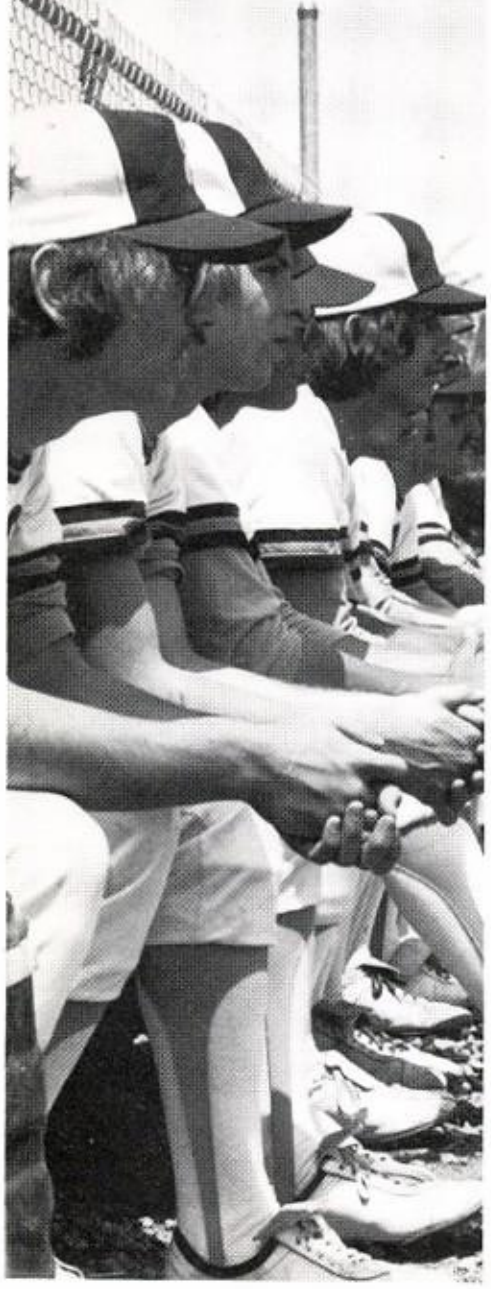
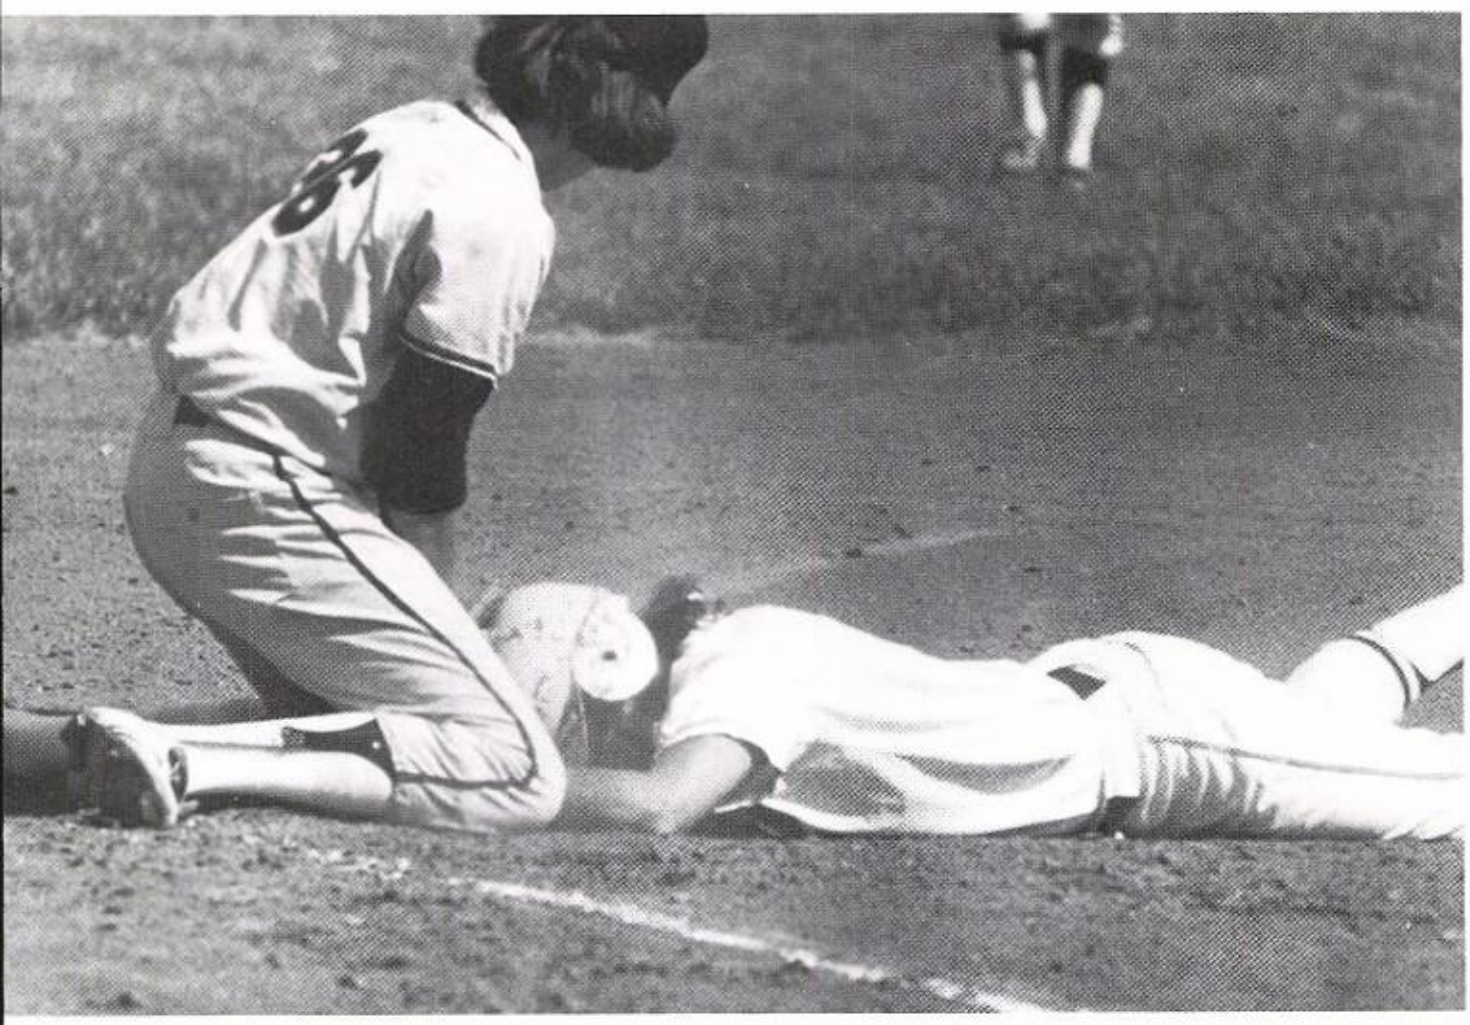
The 1975 Varsity Baseball Team was one of the best Jeffersontown High School has ever had. They were regular season District Winners, Distric
Playoff Champs, East Jefferson County Champs and District Runners Up. J-Town had two All Regional players, a new school record was set and a
scholarship was awarded to Mike Wilson, who now attends Bellarmine College. It was a successful year for our baseball team, and they represented our
school extremely well.

The Junior Varsity Baseball Team also had a successful year. They won the District Championship, and scored an average of 7 runs per game.





1st ROW: Lynn Fairchild, Debbie Hines, Jean Wagner, Colleen Hoppe, Diane Herman, Jamie Garret, Sara Mann, Kathy O'Neil, Karen Connelly, Linda Cox, Coach Schaeffer. 2nd ROW Tammy Miller, Shelia Haden, Kathy Robinette, Joanne Sedlock, Karen Ritz, Nancy Robinette, Donna Burkhardt, Betty Jo Singleton, Annette Benedetti, Lisa Loran. 3rd ROW: Dian Rowan, Sharon Joslin, Karen Smith, Beth Kempf, Barbara Zwicker, Jackie Love, Twana Firman, Gayle Block, Beverly Bryant, Janie Cline. 4th ROW: Shellie Branson, Becky Bennett Diane Rinehart, Julia Pike, Vicki Sims, Lydia Painter, Lori White, Carolyn Wesley, Donna Tyler, Heidi Bumgardner, Ellen Quinn. 5th ROW: Laurie Jewel, Janis Nathan, Pat Williams Leslye Wallace, Laura Wenz, Dee McCall, Barbie Sauer, Missy Shuck, Suzanne Bomar, Debbie Doll.

Girls' Track

The Jeffersontown High School Girls' Track Team had a very successful season last year. They started out in the Mason Dixon games in February by placing fourth in the 880 relay and second in the shot put.

Then in the spring, they won all but one their regular season meets. The team placed second in the district and regionals, and then qualified seven girls for the state meet.

The J-town team of 74-75 proved to be one of great promise and unusual talent. J-town's cindermen were young (only two Seniors) but made up for this handicap with dedication and consistant achievement. The team was truly an international team with runners from Canaga, South America, and West Germany. Headed by Coach Ted Beastall and assisted by Coach Harold Russell, the team established itself as a spring sport of worthy recognition. Senior shot and discus participants, Lee Quinn and Rick Ankeny, were consistant upsetters in the field event and Ankeny eventually went on to participate in state competition. High jumpers Frank Constantine and Zack Dawson wiped out all competition in those areas while pole vaulters Allan Riggs, Bobby Quinn, and Gey Texter gained county wide recognition. (Texter vaulted to a new school record at the close of the season.)

Sprinter Mark Foster astonished competition with his speed before a leg injury prevented him from continuing in the season. Hurdler Craig Caufield went on to compete in the state meet with his unbelievable times and consistant accomplishment. Sophomore runners Tim Hartford and Kevin Stier competed with each other for the recognition of "School's best runner" with Stier running right on the school record.

Injuries and bad weather prevented the team from setting a good win /lose record but the 75-76 season should prove to be a winner.

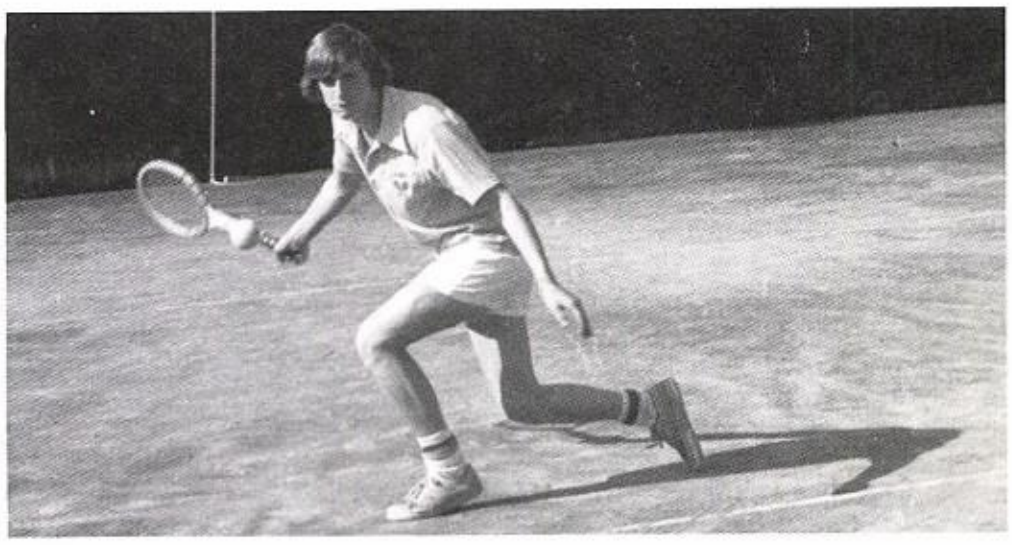
Girls' Tennis

Although the Jeffersontown Varsity Girls' Tennis Team did not have a "winning" season, they played quite well, considering the lack of courts for practice and the stiff competition they faced. The over-all record was 5 wins and 8 losses.

The five varsity team members worked very hard and supported each other greatly. Our school can be proud to have girls like these represent Jeffersontown High School. Good sportsmanship was always evident at the games. Some girls did not get to play varsity, but they worked out and attended practices and all matches. We can look forward to seeing all these girls return in the new 1975-76 season.

Boys' Tennis

The Jeffersontown High School Boys' Tennis Team had a successful season the past year winning eleven matches and losing only five. The singles team won the county championship and the doubles team won the regional championship. The team had several firsts this past year. For example, it was the first time that J-Town has ever had a JV boys' tennis team. Also, twice this season they defeated teams they had never beaten before. The team as a whole, finished seventh out of fifteen teams in the Jeffersonville Invitational. A tennis scholarship was awarded to Walt Jones who is now attending Lander College in Greenwood, South Carolina.



1st ROW: Steve Dyer, David Grogg, Walt Jones, Craig Miller. 2nd ROW: Mr. Brandon, Duke Livingston, Jeff Rehnet, Paul Gorence, Ken Stone, Mark Matthews, Mike Mudd.

Score big "0"! This is one cheer the offensive Chargers listened to in 1975 for they outscored their opponents by 108 points. It could be said that character was a virtue attained by the Jeffersontown offensive players. Ten different people scored touchdowns while an unbelievable average of 4.2 yards per carry was ground out the hard way. Although these regional champions lacked somewhat in size, they made up for it with desire, character, and heart.

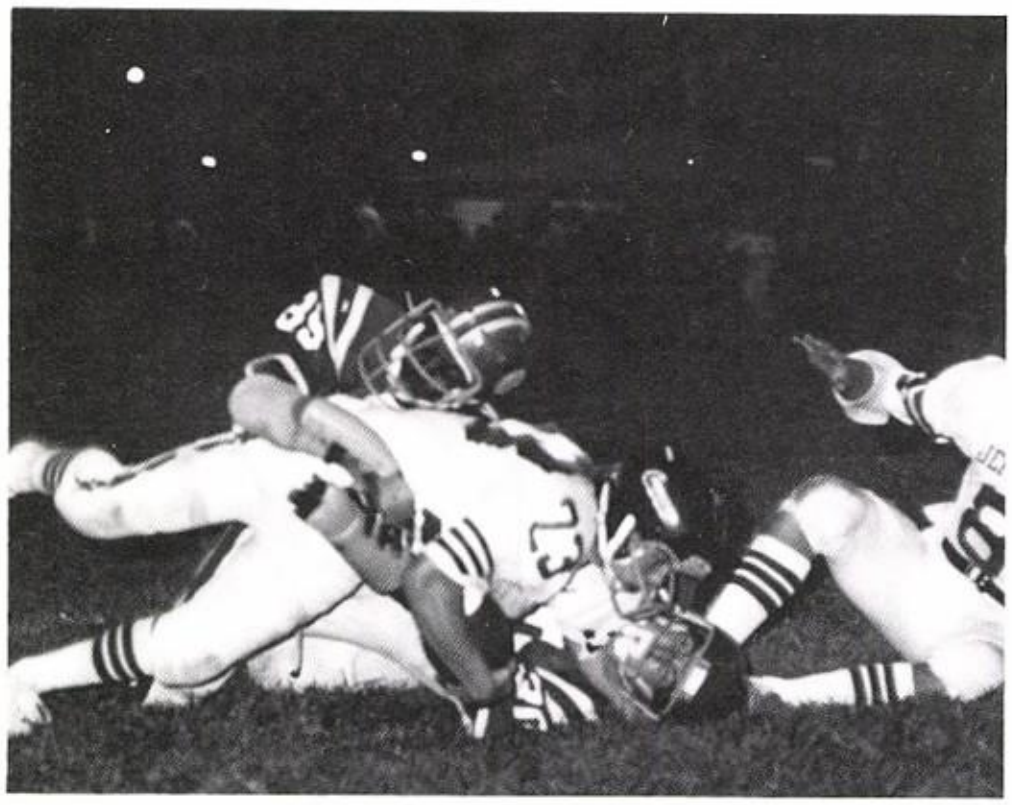
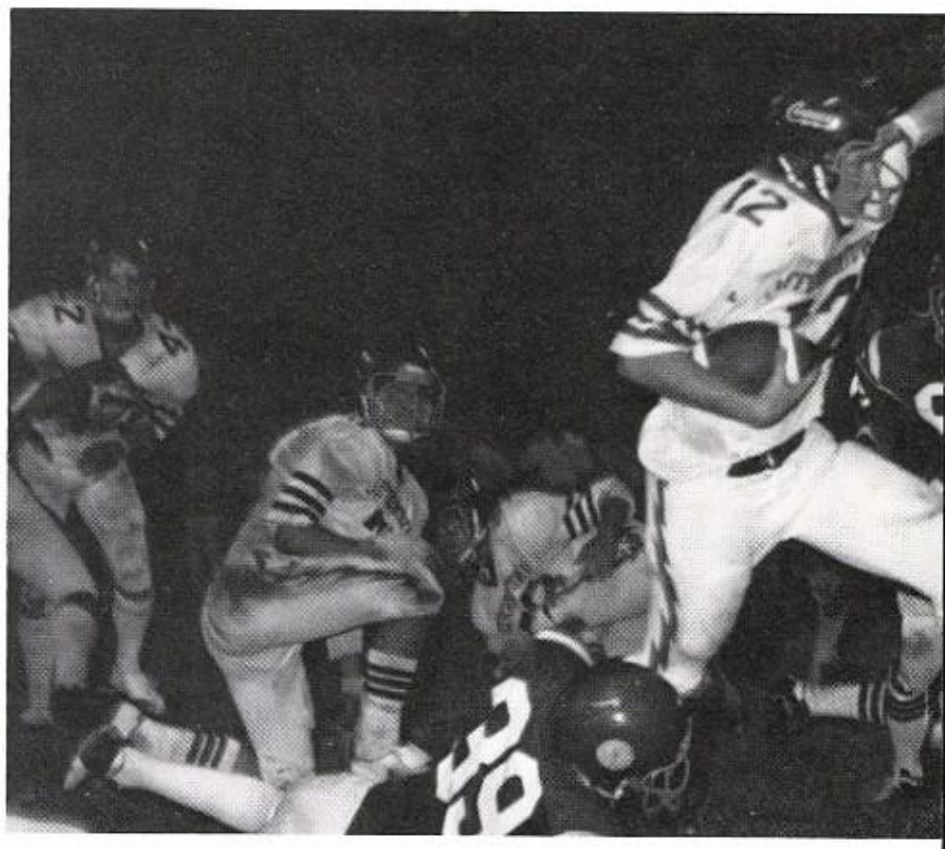
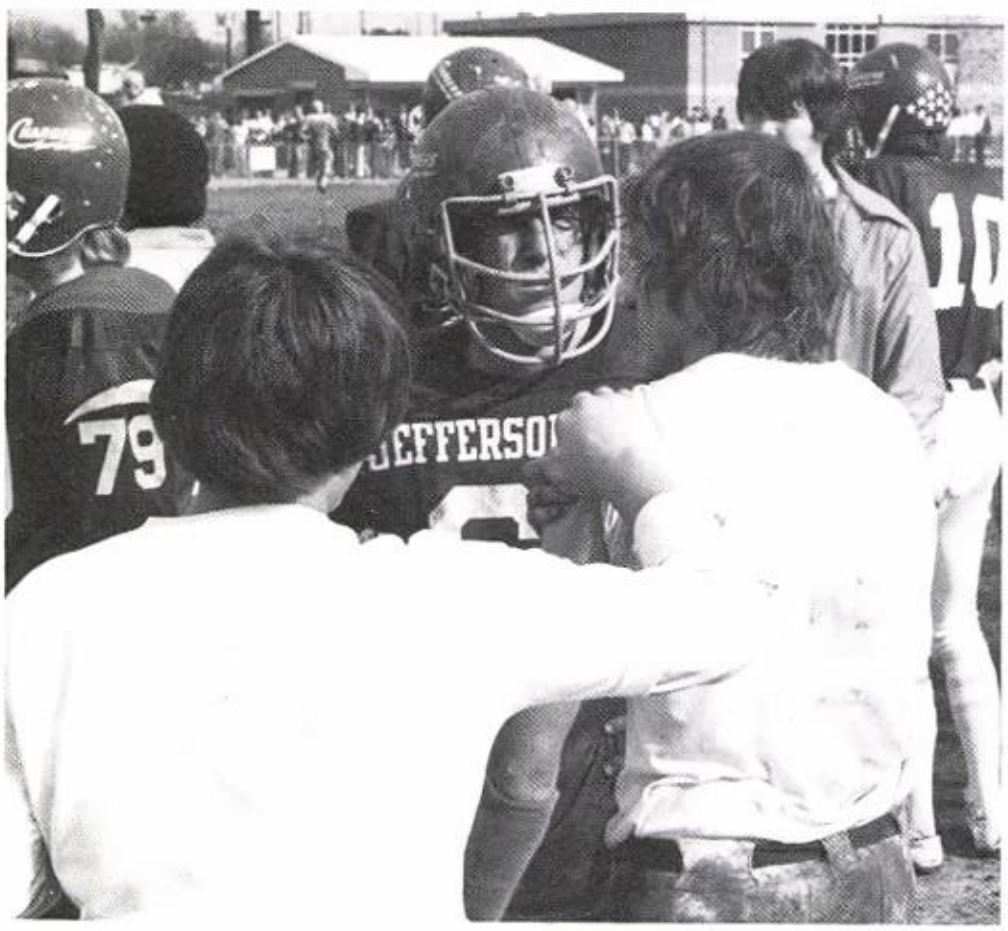
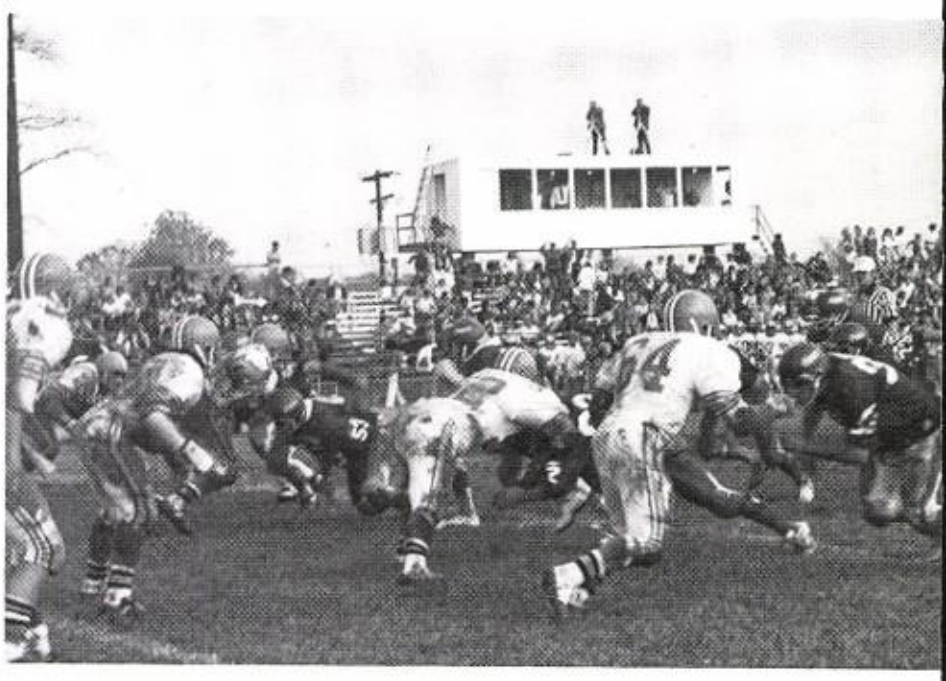
District

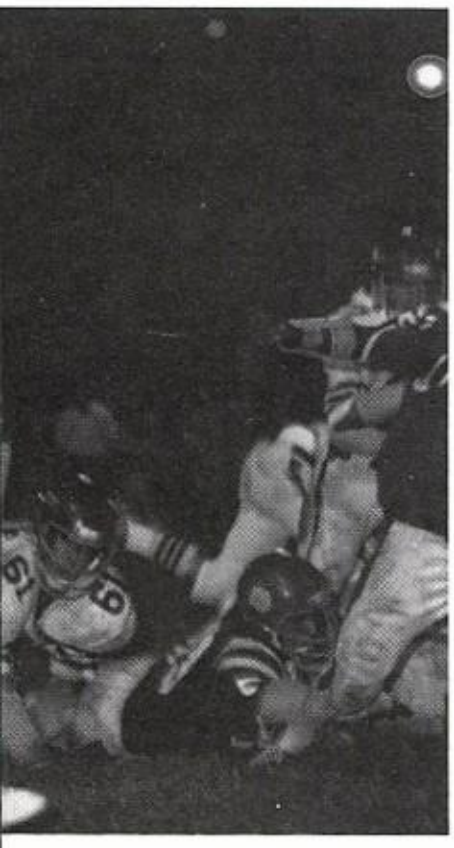


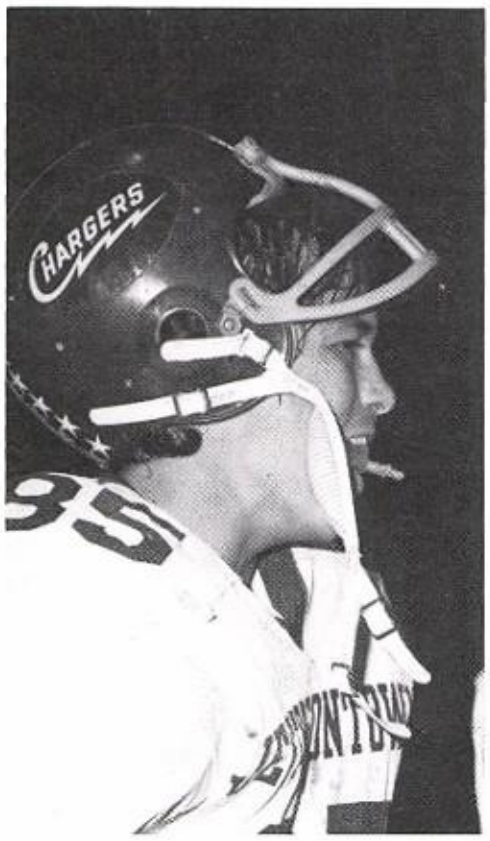


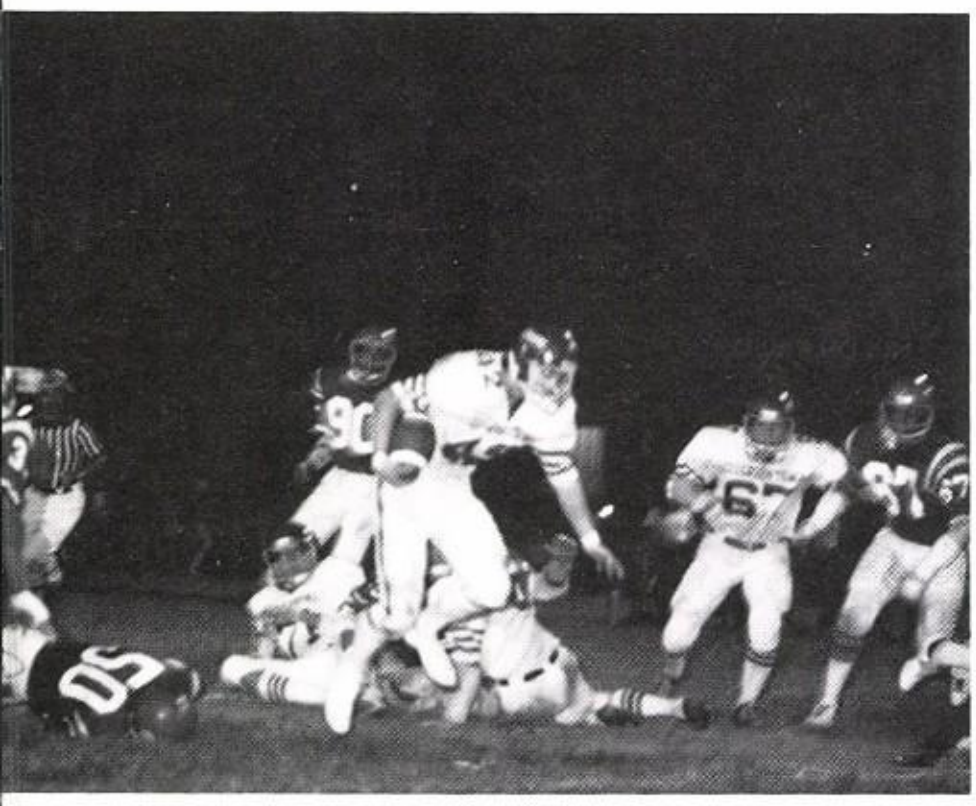




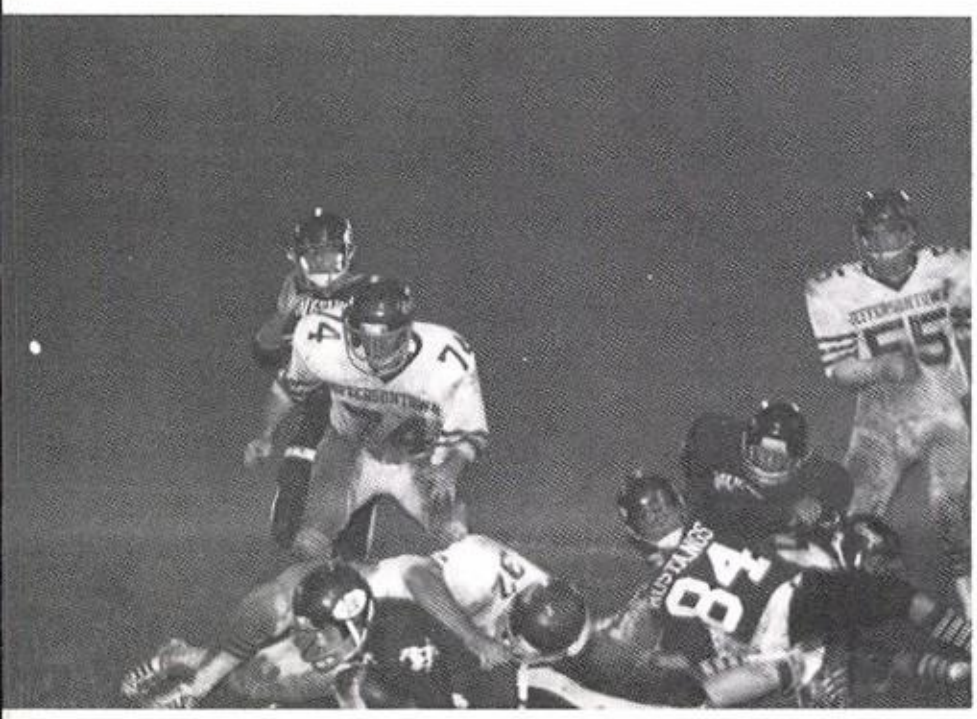
Champs

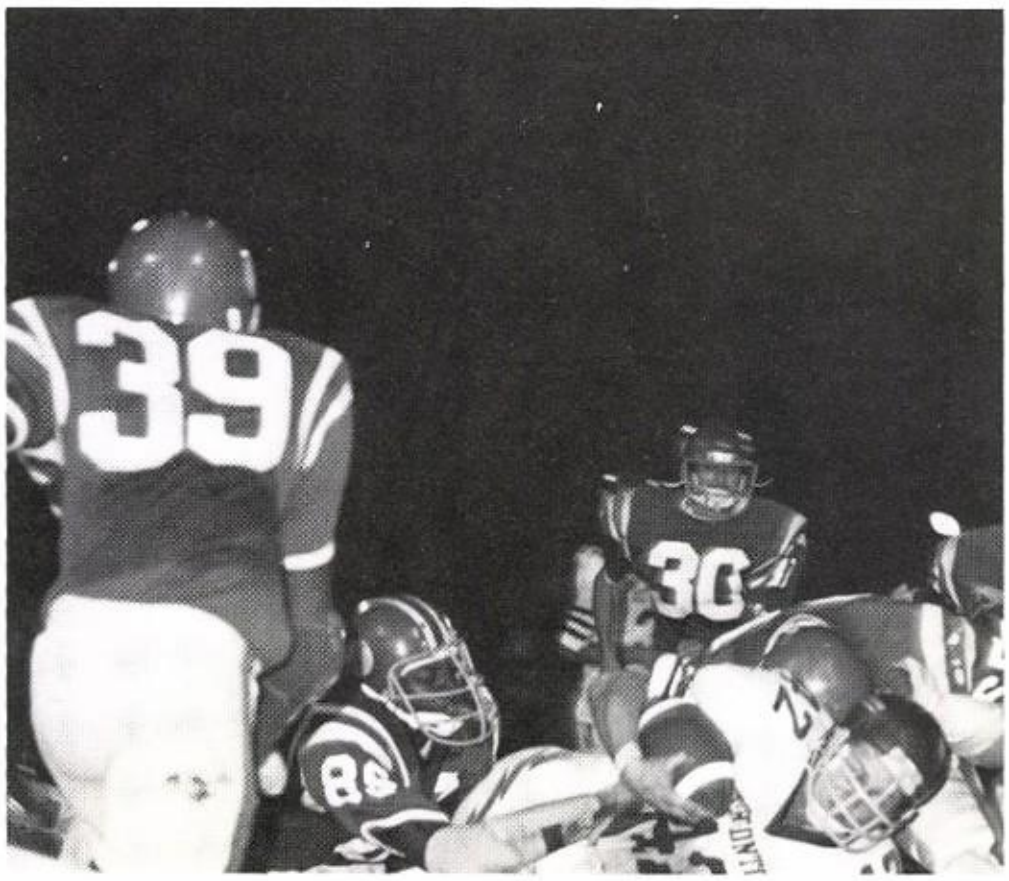






Defending their 4th district title, Jeffersontown opened with a 3-0 victory over Moore. The game, played in a heavy fog was undecided until Mike Orlandi's field goal late in the 4th quarter. The powerful foot of Orlandi, booted J-Town to several later victories, also. The Chargers won the next district game over arch rival Thomas Jefferson by a score of 14-0, primarily on the strength of their offensive line. The first touchdown was set up by Zack Dawson's interception in the 3rd quarter. Ricky Thomas, who scored both touchdowns finished the game with 123 yards. Mike Orlandi's two conversions accounted for the other points in the 14-0 victory for the 4th District Title. Then J-Town played district pre-season favorite Fern Creek. On pride alone, as they had already clenched the district title, J-Town won 20-6. In this game, Paul Sauer had a career high of 135 yards rushing. Sauer broke the game open with a 70 yard run in the 4th quarter. Others scoring in the game were Chick Roy and Tom Fox. Mike Orlandi added the extra points. The 1975 District 4 Title vaulted the Chargers into the city-county play-offs.





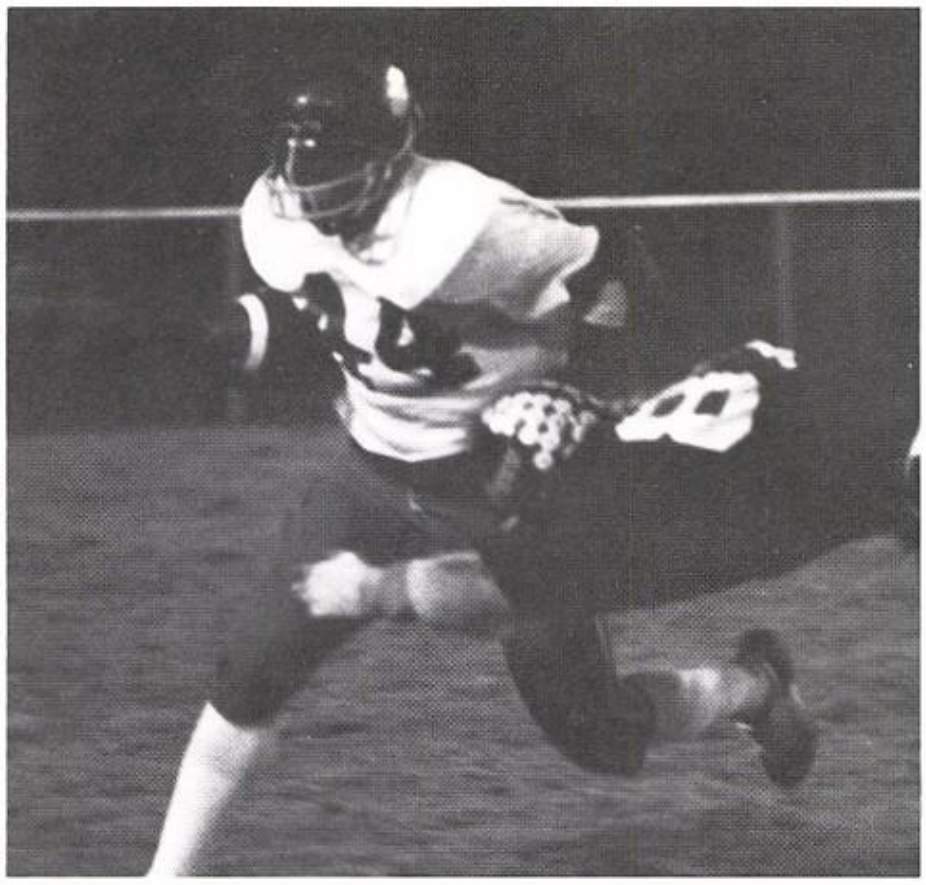
Chargers Surprise . . . Take County Championship

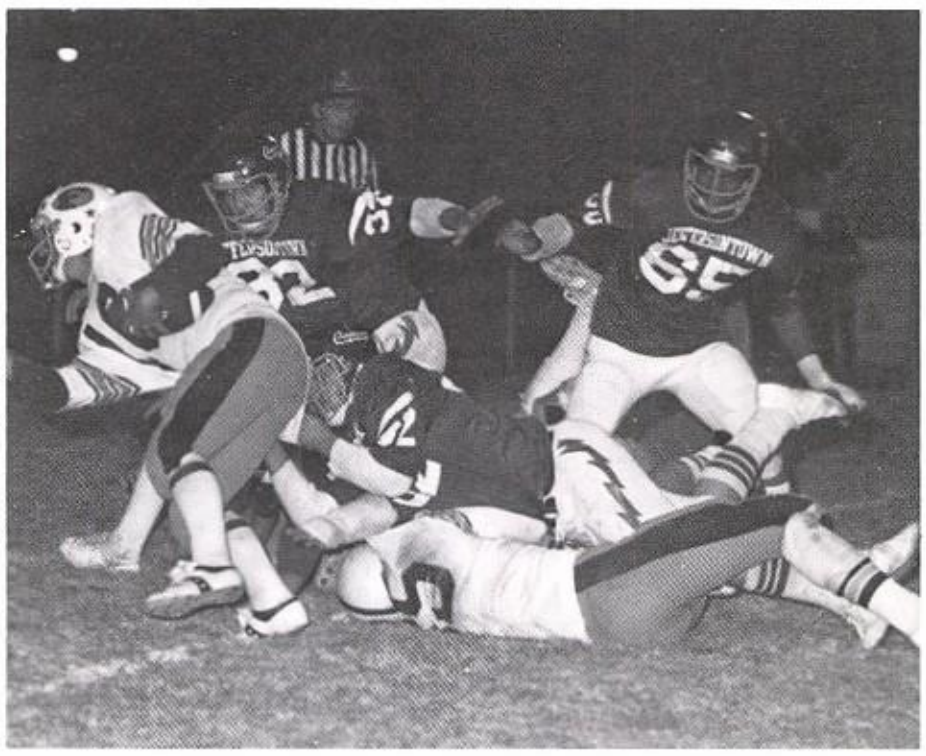
Football is a game of inches. This was proven true as the Chargers' earned their place in the county finals by nipping Fairdale 7-6 in overtime. This game was a matter of life and death, and both teams played as if they knew it. Each team had numerous occasions to score in regulation time, but Mike Orlandi ended up winning the game for Coach Jordan's team, as he converted the extra point after Tom Fox's 4 yard run in overtime.

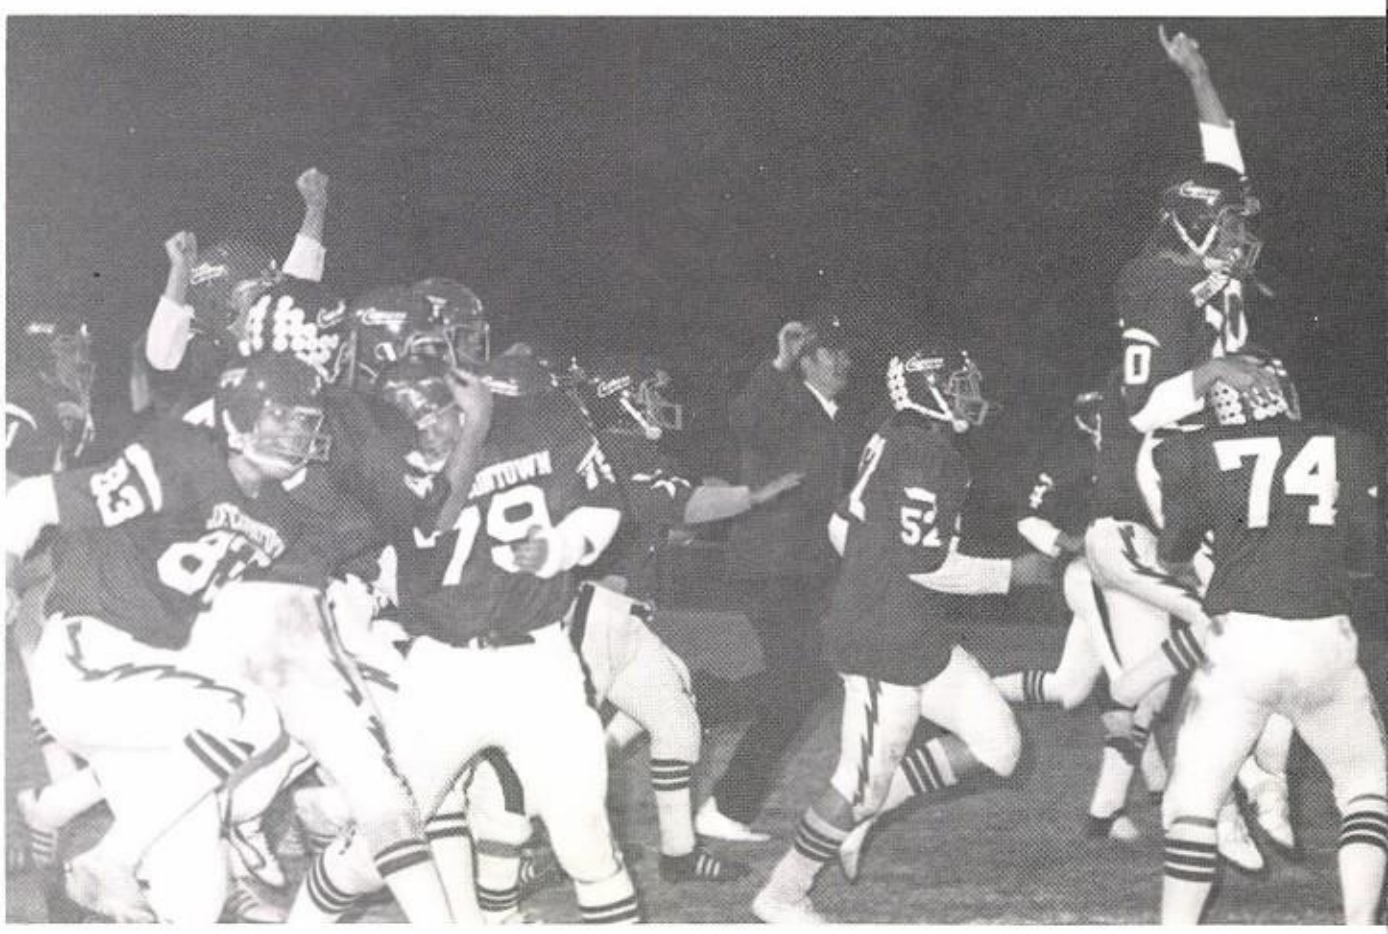
The Chargers' first victory over Valley was said to be "something of a Fluke." Valley was to take it all and this loss to J-town was just an inconvenience. Well, the outcome of the second game made the difference as the Chargers beat Valley 14-7, for the county title.

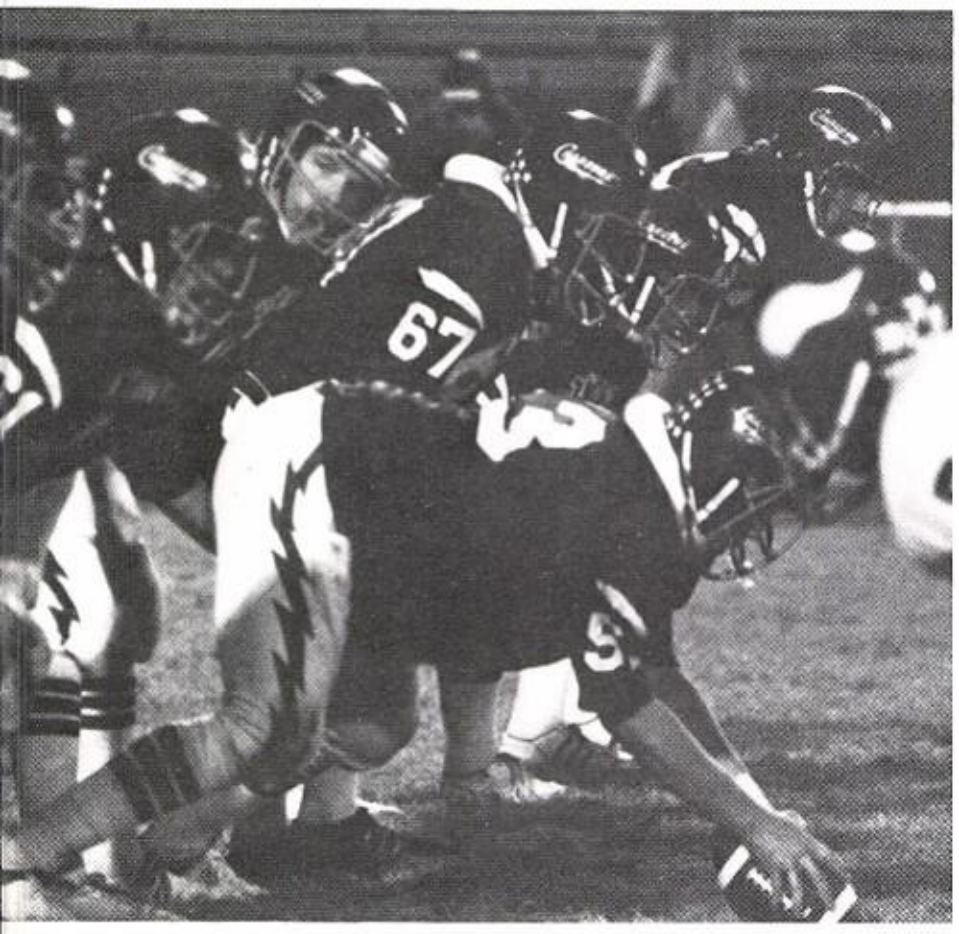
J-town scored their points in the second quarter and was comfortably in front for the rest of the game. Both touchdowns were made by Tom Fox with a 2 point conversion by Paul Sauer on a pass from Danny Mattingly. Valley's touchdown came with a mere 11 seconds left in the game.

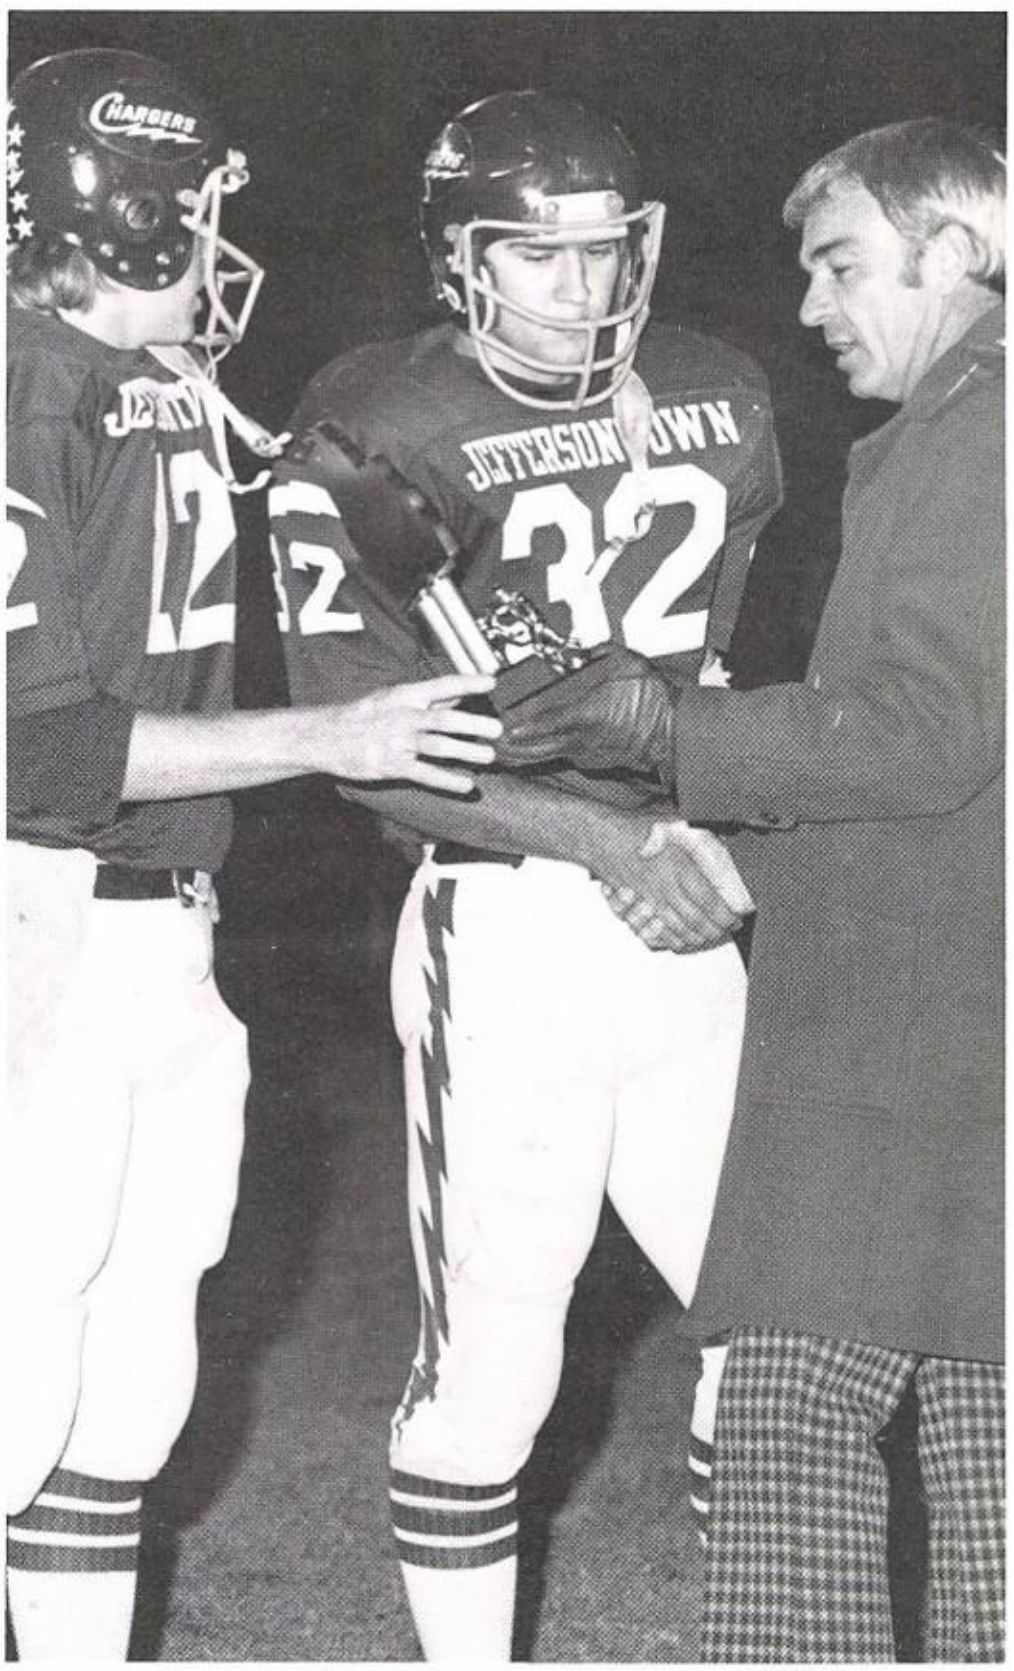
Victory over Valley made the Chargers "County Champs" and gave them the opportunity to meet St. X for the City-County Championship.











CHARGERS
JEFFERSON
32

So Close . . . Yet So Far

J'town's dream of winning its first title was shattered by St. X as they defeated J'town 35-20.

St. X drew first blood, but the Chargers came right back with a touchdown pass from Tom Fox to Dwight McGuire, and conversion by Mike Orlandi to make the score 14-7. Suddenly, St. X exploded scoring three more touchdowns. It was late in the fourth quarter before J'town scored again, as Jay Trautwein recovered the ball in the end zone. The Chargers came roaring back as Zack Dawson intercepted a pass and ran 17 yards to be caught on the St. X 34 yard line. Tommy Houk caught a 22 yard pass from Tom Fox just a few plays later for the final touchdown and Mike Orlandi's kick was good, making the final score 35-20.

Even though the Chargers were disappointed in defeat, they were proud to be first team this season to score over 2 touchdowns on St. X.

The Chargers ended the season with a 12-2 record — the best the school has ever accomplished.

J'town's team was respected by everyone at the conclusion of the season. Some members of the team were especially honored to have their names appear in the list of honorable mentions. They were as follows: Seniors: Tom Houk, Tom Fox, Barry Ellison, Bob Clark, Joe Pat Burch; Juniors: Zack Dawson, Ricky Thomas, Chuck Smith, Henry Robison. Howard Hunt was chosen first team All-Country and second team All-State.

The person honored more by his team than anyone else is Coach Jim Jordan. As his first year was such a success with district and county titles, he was also named "Coach of the Year."

Morale Reduce Roundballs' Effectiveness

After the Oldham Co. game, I asked Coach Haury if he would review the season to date and give me his feelings about the rest of the season.

"At the beginning of the basketball season we had a very trying situation. Many new players were trying out and we had no knowledge of their background. We didn't know who could pass their academic subjects or who could play basketball in the regular game situation. On top of that only four people who had played extensively last year were back. One was late in coming out because of football and another missed quite a bit of school and could never quite get his stuff together. Finally the gym practice situation was most frustrating.

Through the first five games, our new kids had no idea of what we were trying to accomplish. They were used to "school yard" offenses and individual or team defense was unheard of. Then in the Durrett game we played excellent defense, for a half. We played very well for three quarters against Irquois, Bulter, Ahrens, Central, and Western. Our kids played exciting basketball, but we were no match for their height and strength for all four quarters. We played especially well against Irquois (losing on a tip-in as the buzzer sounded) and also against the always powerful Central, scaring the pants off them for a half and being down by only 10 points with seven minutes to go.

In a game played before the Seneca student body we played our best complete game of the season winning by 2 points. Our passing was fantastic. We hit the open man on almost every Occasion. The game was most satisfying for me since they are one of my oldest rivals, and they have some great looking athletics on their team.

It was also happy for Mr. Craigmyle since Seneca was his former school and it is always nice to beat the school you come from.

Just when it looked like things were clicking for us, we had a couple of misfortunes hit us. Billy Reynolds broke his finger in the Seneca game. Daryl Blume had a knee injury and hobbled through the next two games. Dale Barnstable turned an ankle had a leg injury, and got an eye injury which prevented him from wearing his contacts. All this happened in one week.

Against Oldham Co. we played like we did against Seneca. Everyone except Reynolds was healthy and we played unselfish ball. Rahshun Hilman and Dale Barnstable combined for 11 assists and the team had a season high of 19. George Nelson and Daryl Blume proved to be the heart of the offense scoring a combined total of 39 points.

As far as the rest of the season is concerned we have two goals. One is to continue to improve and to play exciting basketball and the other is to win our 4th district tournament."

Tam Howard missed going to State Championship in floor exercise by .3 points. She has tremendously improved this year and will be a real contended next year.

Pam Otto had an off-and-on season with some very good bars performances and ended up qualifying for the State Championship in vaulting. She placed 7th in 2 days of Regional competition. Pam is a sophomore with two good years ahead for her.

Debbie Allen, a petite freshman, had an outstanding year. She qualified for State Championship in bars and beam. During the entire season she placed no lower than 3rd place all-round.

Karen Rice, a freshman, took two 1st's in J.V. floor exercise before an injury put her on crutches.

Susan Sprenger, sophomore, gave impressive performances all season, usually finishing 2nd place all-round in J.V. She took a 7.15 score in varsity optional regional which is no small accomplishment for a new varsity competitor.

Barbara Zwicker, freshman, is coming on strong; as a J.V. she finished 1st and 2nd all around. Her first places were usually in vaulting where she also tied for 1st in a Varsity meet against State Reserve Champions Moore High School.

The J.V. team has some promising talent too. Both teams are young, talented, and hard working. We have improved, thanks to equipment and place to practice.

This year's Jeffersontown High School Girl's Cross Country had their best season so far. They won seven regular season meets, a regional meet, and they placed fourth in the county. The entire team qualified for the state meet and finished in fourth place.

Boys

A transition year with a new coach and a late start had a strong effect on the outcome of the boy's season. However, toward the end of the season, the boys began to come on strong, coming in fourth at the regional meet. The boy's team this year graduates only two seniors, Buddy Lee and Guy Textor. With the return of eighteen other boys, they are expecting a strong season next year.

Next year's team will have two outstanding milers in Kevin Steire and Tim Hartford and teammates Blaine Daugherty, Brent Dodge and Robbie Coogle will add their strength to the team.

Strong members of the J.V. team include Bob McCauley, David Hines, Jay Sotsky, Jerry Nicholas, Chris Zettler, Steve Brown, and Eric Steinbrenner.

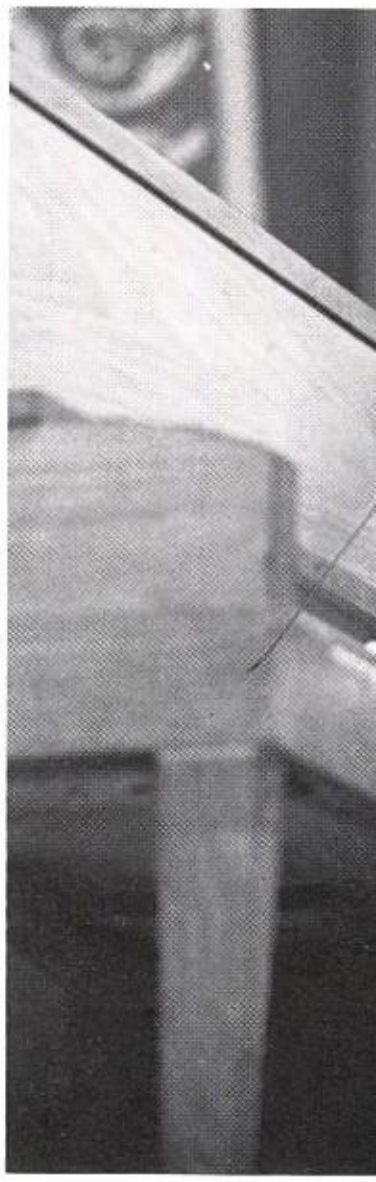
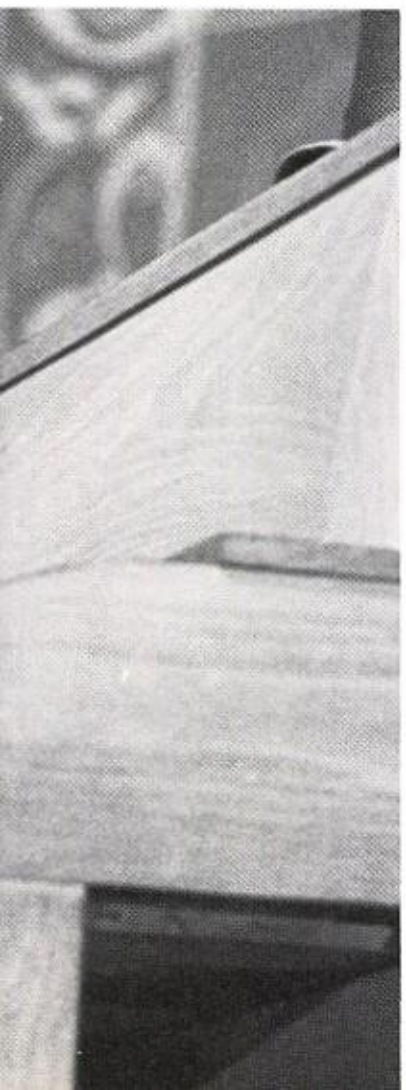
MISS J.H.S.



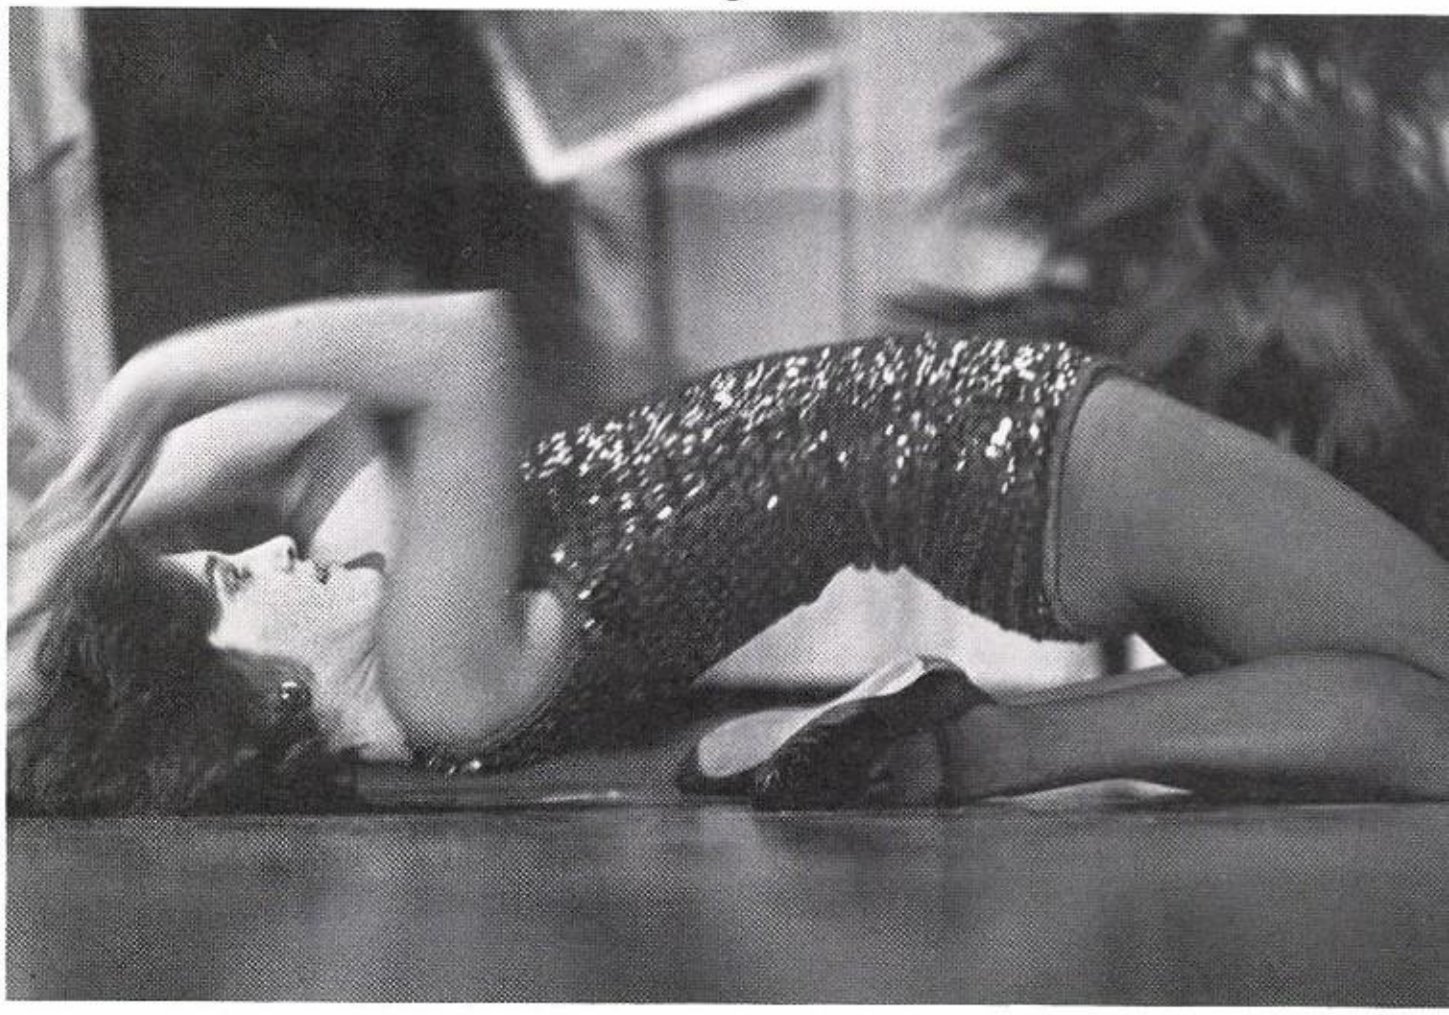
PAGEANT 1975



On October 18, 1975, twenty talented girls took the spotlight for the 1975 Miss J.H.S. Pageant. The theme of this year's pageant was "Wheel of Fortune."

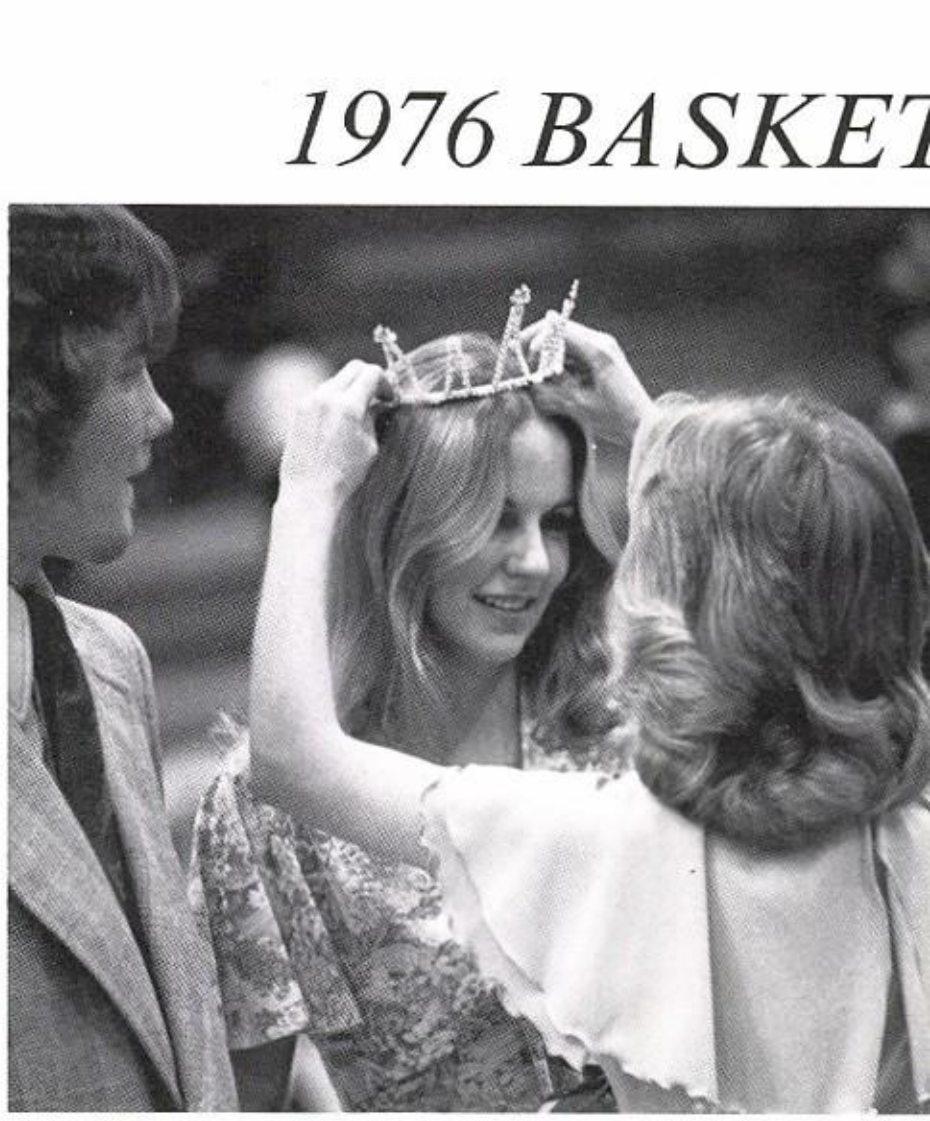
After personal interviews with the judges and poise and talent competition, ten semi-finalists were selected. While the judges made their final decisions, entertainment was provided by the Chargettes and the Men of Jeffersontown. When the girls returned to the stage, the four runners-up were announced and presented with trophies. The last year's winner, Melinda Lauterbach, crowned Valerie Wilson as Miss JHS 1975. Cindy Nalley was chosen Miss Congeniality; Miss Scholastics, Kathy Stearns.

Wheel Of Fortune



Miss Congeniality

1976 BASKET



On February 6, 1976, the Chargers stomped the Oldham County Colonels by a score of 84-66. But the big excitement, at least for eight girls, was the crowning of the new 1976 Basketball Queen and Princess.

Last year's queen, Jackie Willett, crowned a very excited Heidi Bumgarner as this year's Homecoming Queen. Heidi's escort was Mike Toy. Joni Pass, last year's princess, crowned Nicki Curella as the new Homecoming Princess. Nicki was escorted by Greg Jordan.

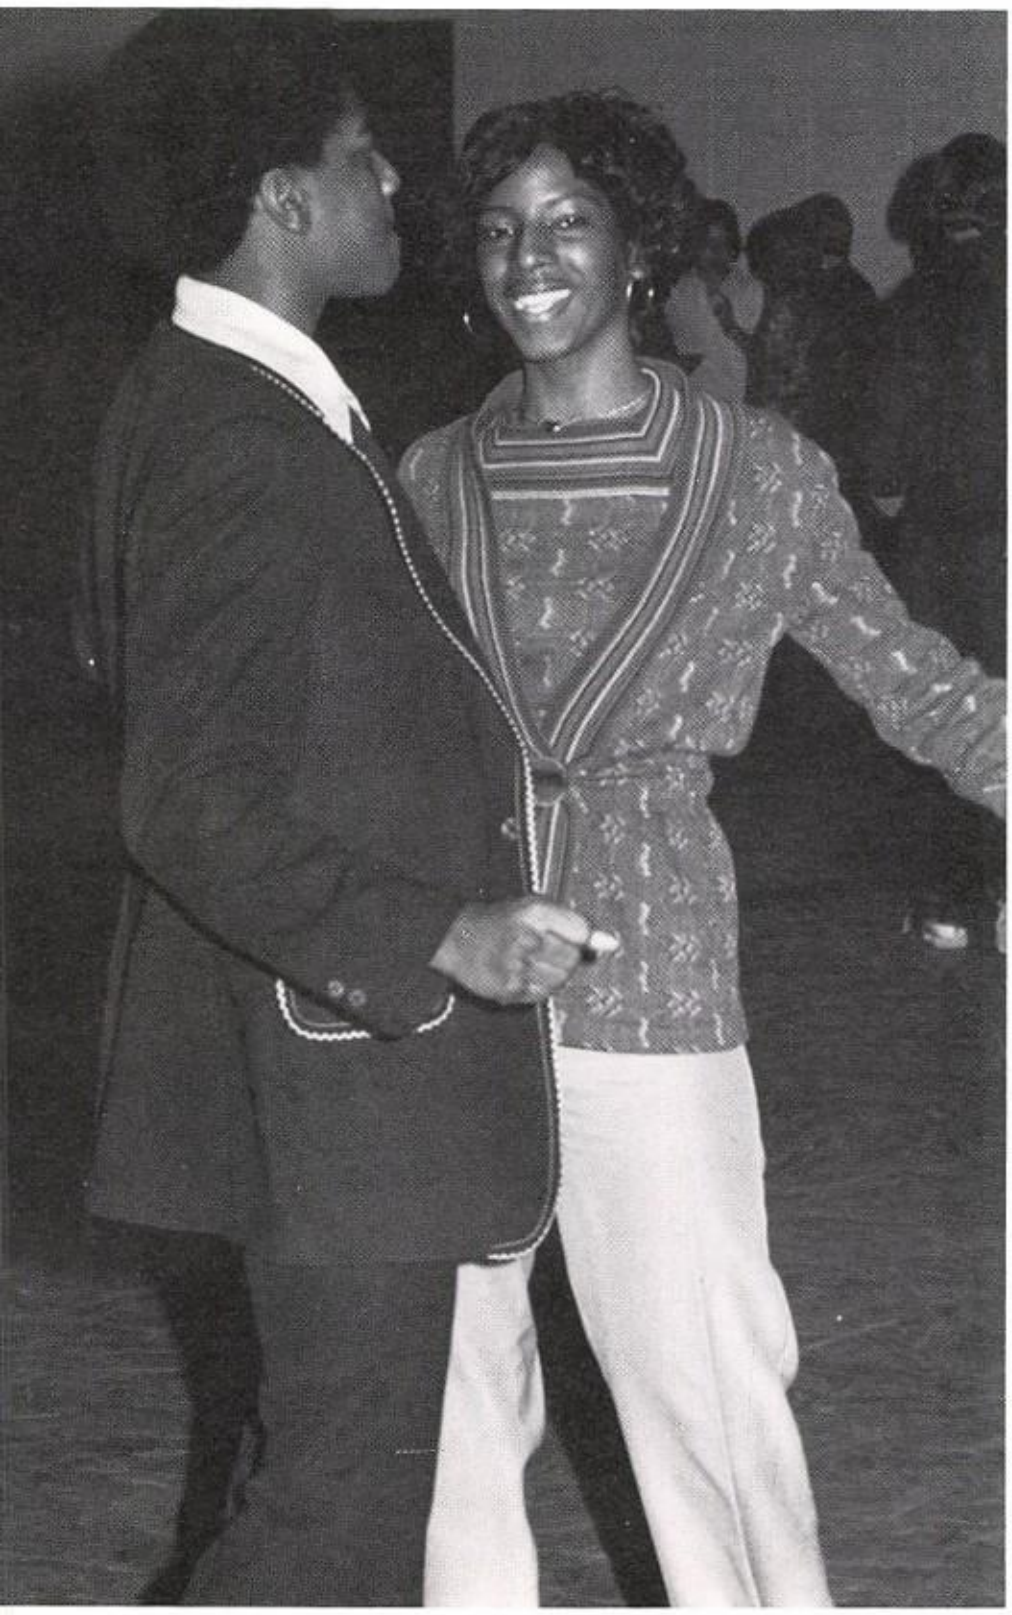
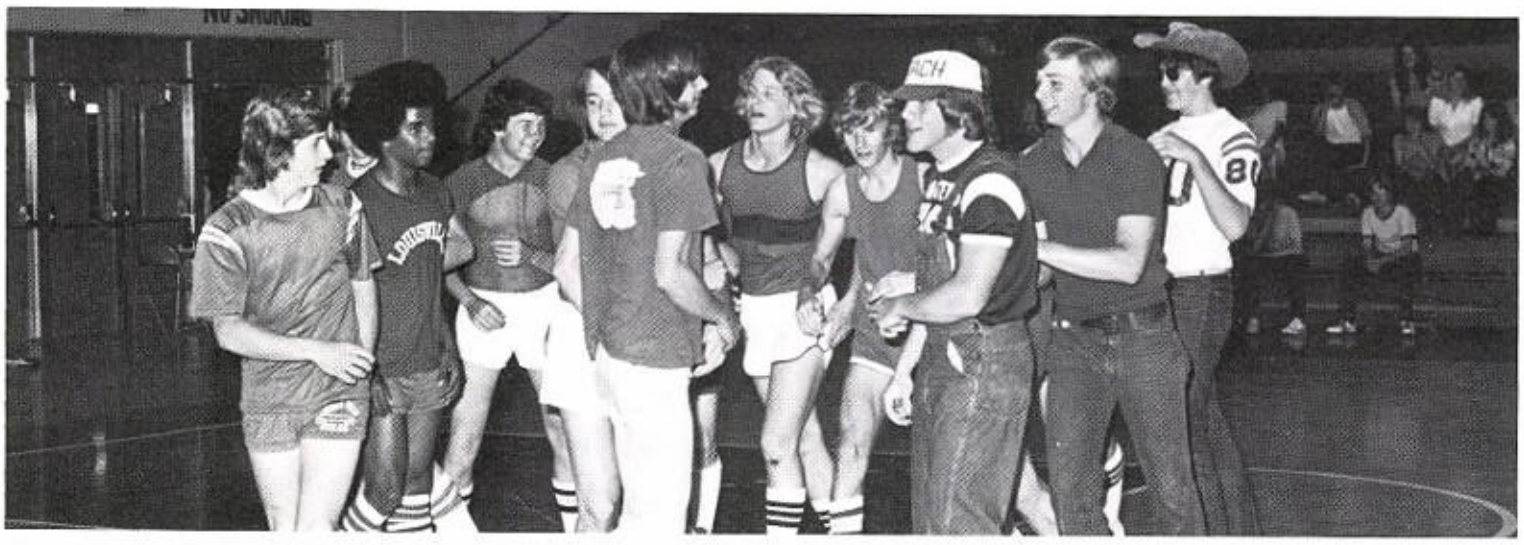
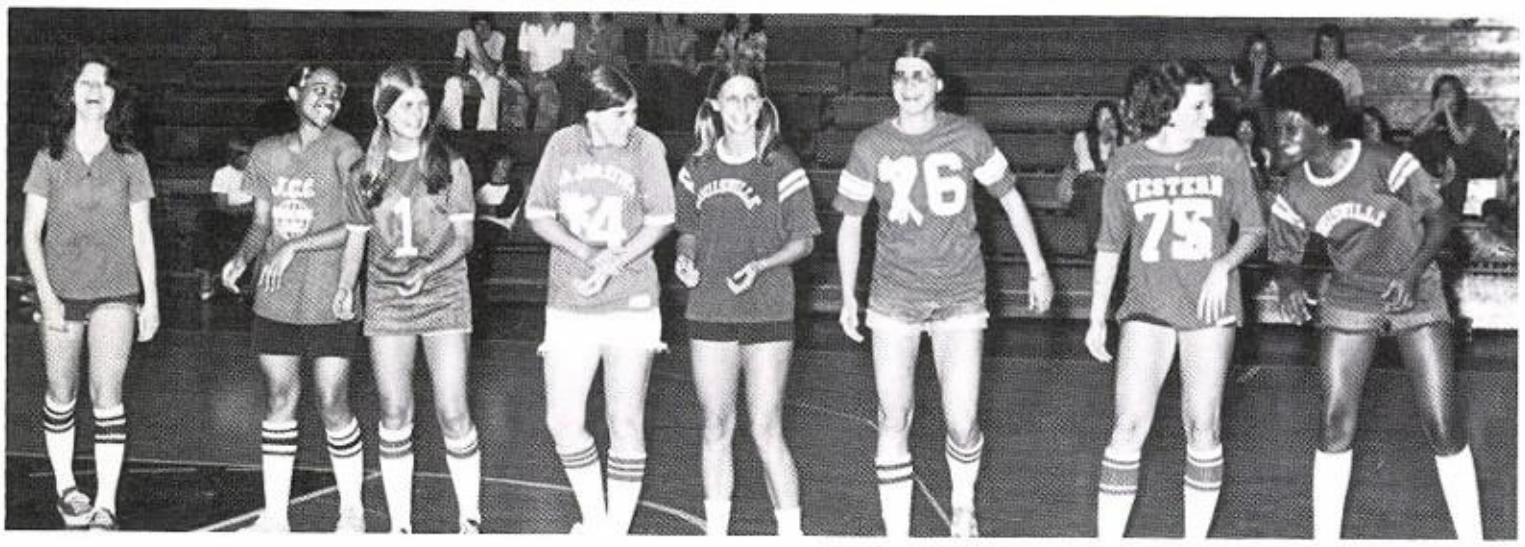
HOMECOMING DANCE — THE SUNRISING YEARS

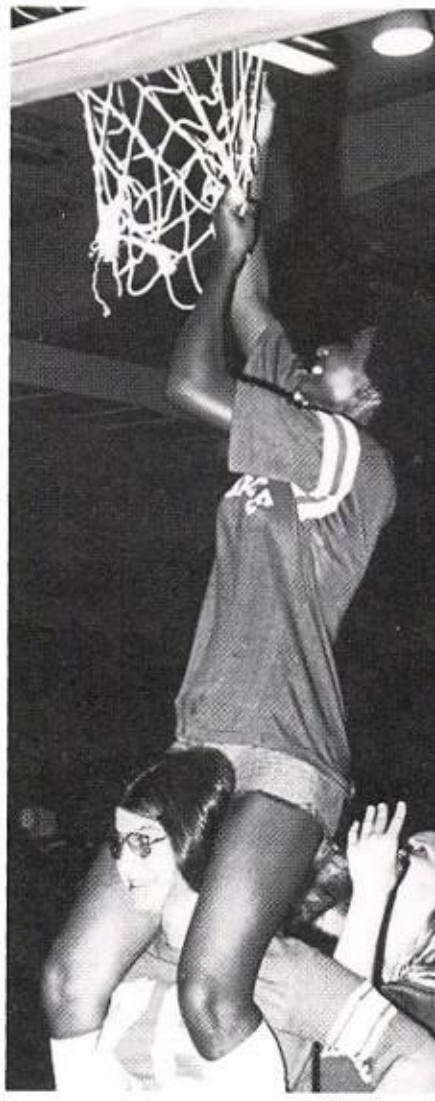
After the game the Homecoming Dance, sponsored by the Sophomore Class of 1978; got underway in the new gym. The theme of the dance was the Sunrising Years. WAKY'S D'J' Tom Dooley brought with him all of his favorite records to play at the dance.



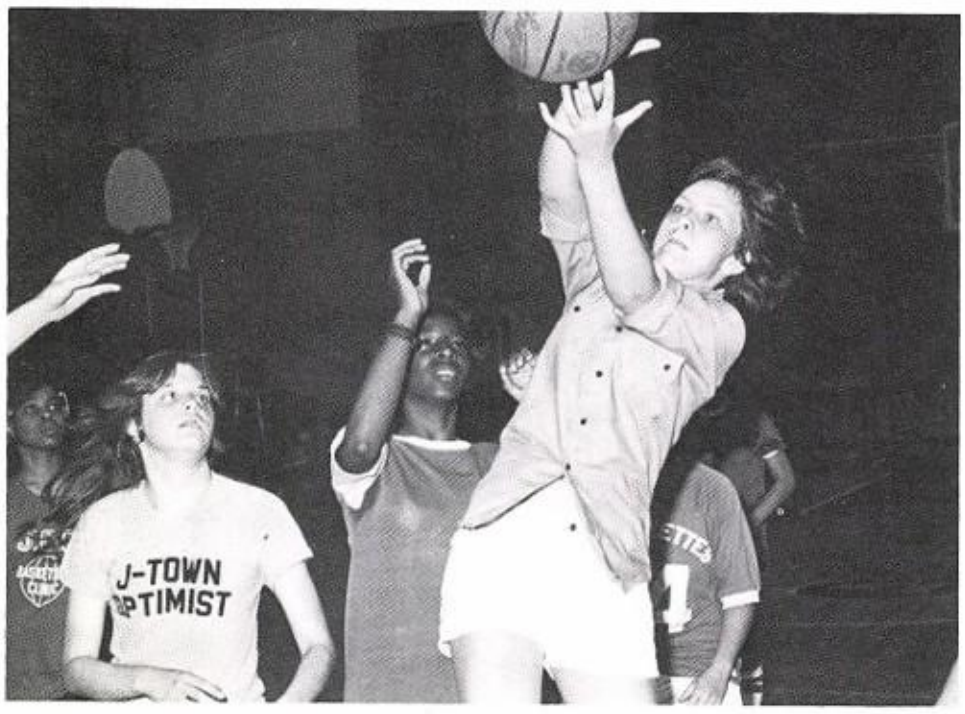
CLASS BASKETBALL GAMES





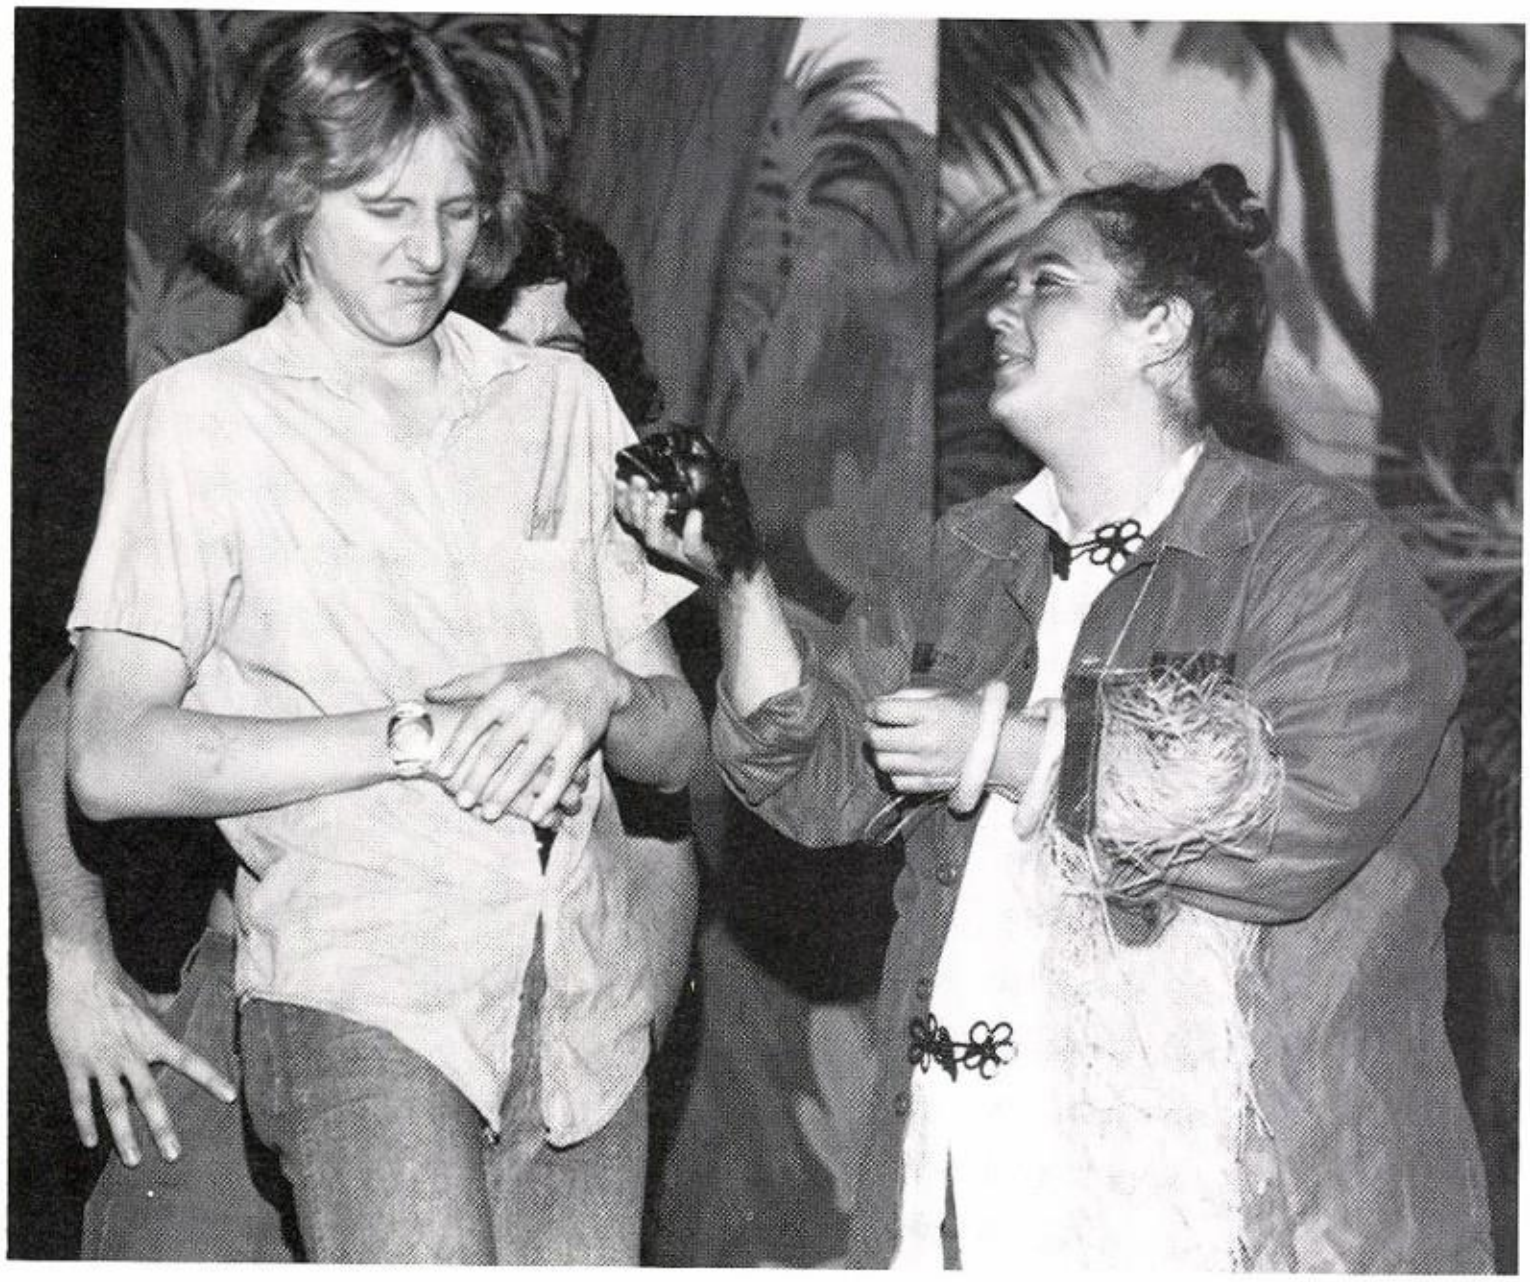


In April of '75, the Class Basketball games were held. In the Semi-final rounds of the Boys game the Class of '77 defeated the class of '78; also the class of '75 defeated the class of '77, and the class of '76 defeated the class of '75. In the final games it turned out to be a victory for the girls in the class of '76 and a victory for the guys in the class of '77.



INTERNATIONAL DAY

An annual event at J'town, International Day, took place on Jan. 29. The top money makers of the four different language groups, were the Latin classes. They sold the ever popular pizza and Pandora Boxes. The French classes sold pastries and showed slides of France. Spanish students were active singing folk songs, dancing, and fortune telling. Booths from the German classes were full of traditional food and drink. It was a great success!



SOUTH

PACIFIC

The 1975 all school musical "South Pacific" was a smash hit. Long before the performances, people of the cast and crew began a new and bigger type of publicity, which proved a success. They had a full house every night. The scenery was especially spectacular with the help of Mr. Ben Rogers. His many talents helped make each scene convincing enough to make the audience believe they were on the beach. "South Pacific" is dramatic, comical, musical, and everything else needed in a play. The singing, acting, and dancing were excellent, and the cast and crew will never forget Mrs. Rose's enthusiasm and the excitement of such a success.

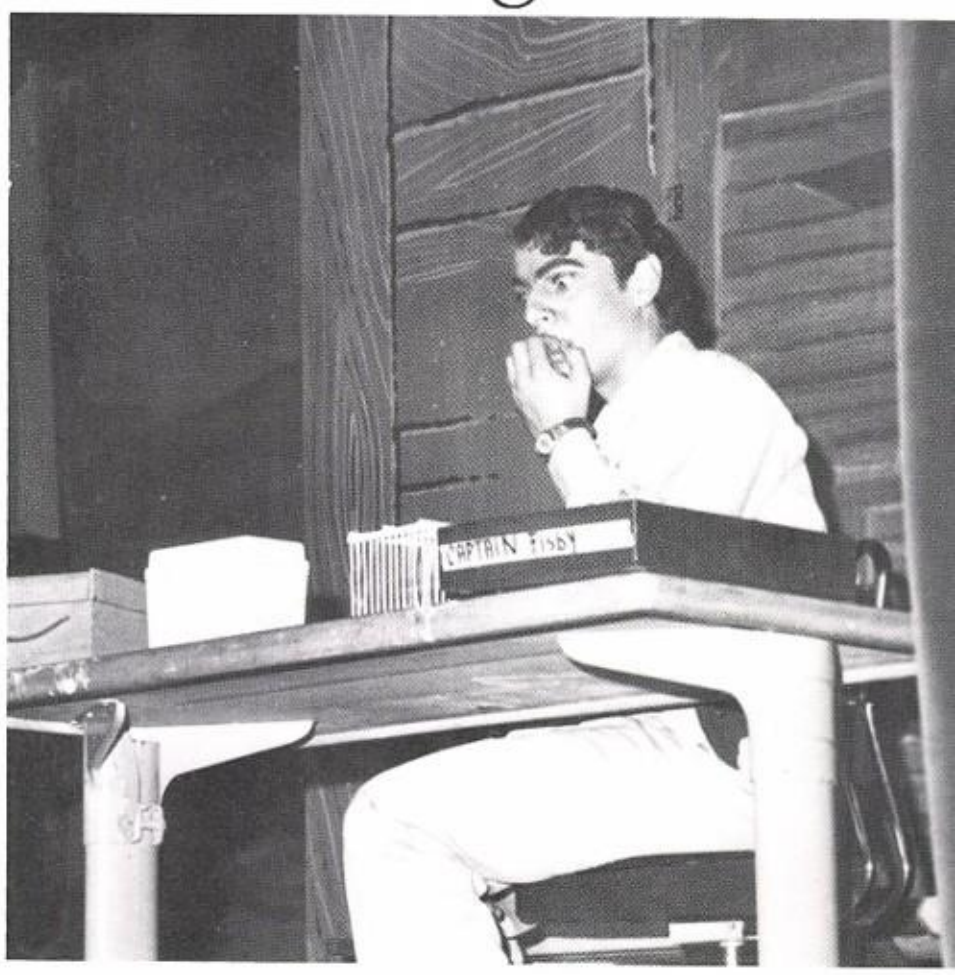
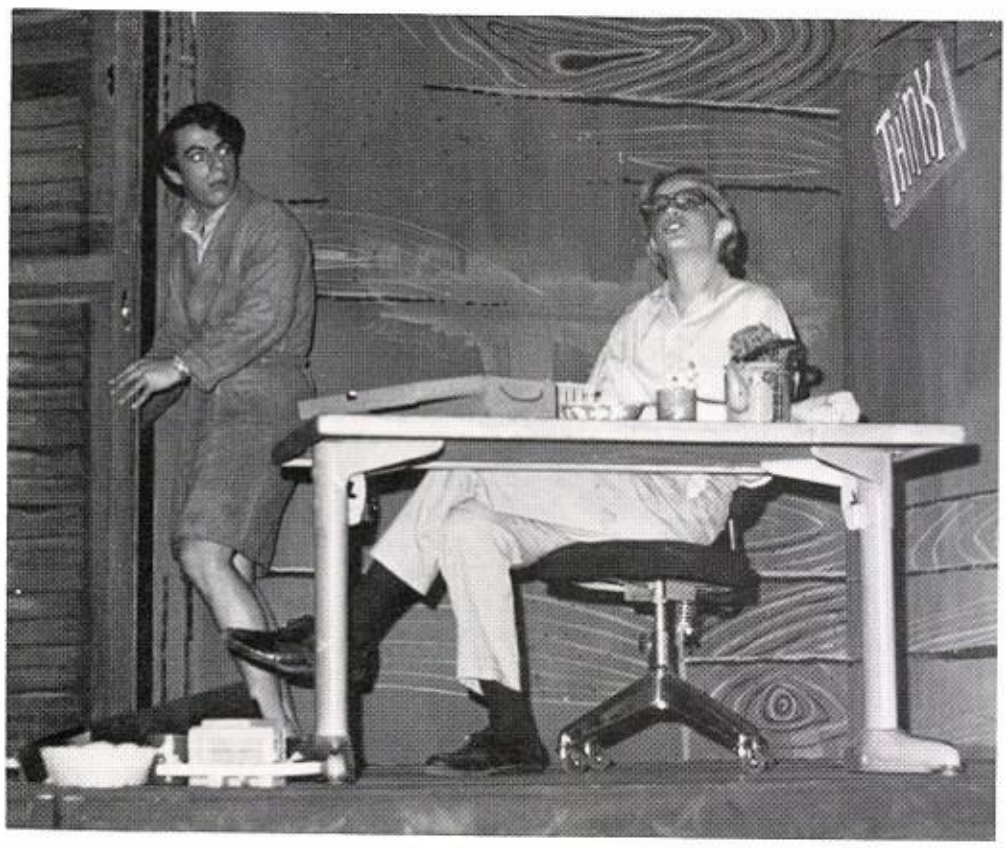
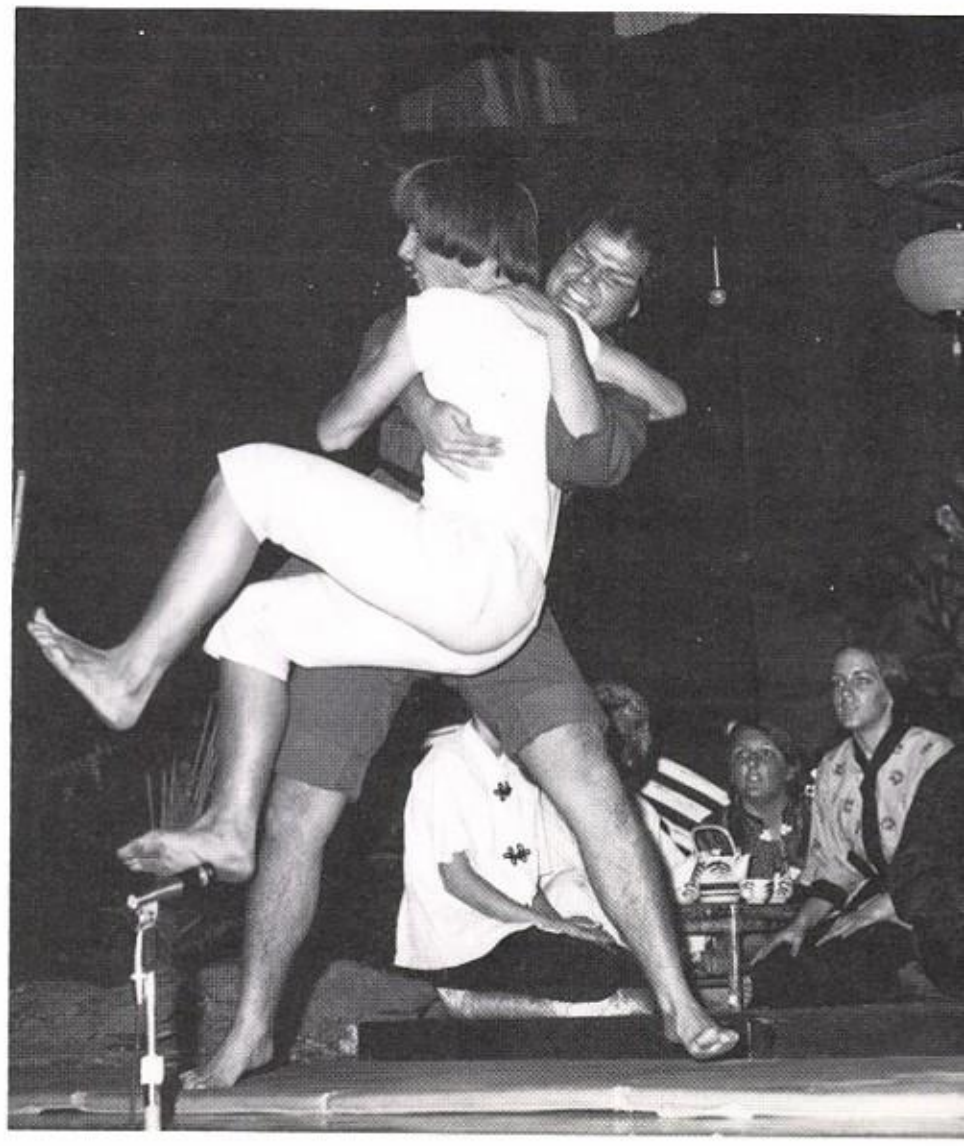
The Teahouse Of The August Moon







Honorable Seniors displayed excellent talent in the production of "Teahouse of the August Moon." They spent many weeks learning the Japanese mannerisms and language, until they were perfected. The play is a tender comedy of a young captain assigned to rehabilitate a small village in Okinawa. But the village tends to rehabilitate the captain instead, leading to chaos and then happiness. The Seniors put on three excellent performances, followed by a fantastic cast party.

Commonplace

"A commonplace life," we say, and we
sigh.
But why should we sigh as we say?
The commonplace sun in the commonplace
sky
Makes up the commonplace day;
The moon and the stars are commonplace
things,
And the flower that blooms, and the bird
that sings;
But dark were the world, and sad our lot,
If the flowers failed, and the sun shone
not;
And God, who studies each separate soul,
Out of commonplace lives makes His
beautiful whole.

IN CONGRESS, JULY 4, 1776

The unanimous Declaration of the thirteen united States of America,

When in the course of human events it becomes necessary for one people to dissolve the political bands which have connected them with another and to assume among the powers of the earth, the separate and equal station to which the Laws of Nature and of Nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation. We hold these truths to be self-evident, that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life, Liberty and the pursuit of Happiness. That to secure these rights, Governments are instituted among Men, deriving their just powers from the consent of the governed, — That whenever any Form of Government becomes destructive of these ends, it is the Right of the People to alter or to abolish it, and to institute new Government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their Safety and Happiness. Prudence, indeed will dictate that Governments long established should not be changed for light and transient causes; and accordingly all experience hath shewn, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves by abolishing the forms to which they are accustomed. But when a long train of abuses and usurpations, pursuing invariably the same Object, evinces a design to reduce them under absolute Despotism, it is their right, it is their duty, to throw off such Government, and to provide new Guards for their future security. — Such has been the patient sufferance of these Colonies; and such is now the necessity which constrains them to alter their former Systems of Government. The history of the present King of Great Britain is a history of repeated injuries and usurpations, all having in direct object the establishment of an absolute Tyranny over these States. To prove this, let Facts be submitted to a candid world. —

He has refused his Assent to Laws, the most wholesome and necessary for the public good. — He has forbidden his Governors to pass Laws of immediate and pressing importance, unless suspended in their operation till his Assent should be obtained; and when so suspended, he has utterly neglected to attend to them. — He has refused to pass other Laws for the accommodation of large districts of people, unless those people would relinquish the right of Representation in the Legislature, a right inestimable to them and formidable to tyrants only. — He has called together legislative bodies at places unusual, uncomfortable, and distant from the depository of their Public Records, for the sole purpose of fatiguing them into compliance with his measures. — He has dissolved Representative Houses repeatedly, for opposing with manly firmness his invasions on the rights of the people. — He has refused for a long time, after such dissolutions, to cause others to be elected, whereby the Legislative powers, incapable of Annihilation, have returned to the People at large for their exercise; the State remaining in the mean time exposed to all the dangers of invasion from without, and convulsions within. — He has endeavored to prevent the population of these States; for that purpose obstructing the Laws for Naturalization of Foreigners; refusing to pass others to encourage their migrations hither, and raising the conditions of new Appropriations of lands. — He has obstructed the Administration of Justice, by refusing his Assent to Laws for establishing Judiciary powers. — He has made Judges dependent on his Will alone, for the tenure of their offices, and the amount and payment of their salaries. — He has erected a multitude of New Offices, and sent hither swarms of Officers to harass our People, and eat out their substance. — He has kept among us, in times of peace, Standing Armies, without the Consent of our Legislatures. — He has affected to render the Military independent of, and superior to, the Civil power. — He has combined with others to subject us to a jurisdiction foreign to our constitution, and unacknowledged by our laws; giving his Assent to their Acts of pretended Legislation: — For Quartering large bodies of armed troops among us: — For protecting them, by a mock Trial, from punishment for any Murders which they should commit on the Inhabitants of these States: — For cutting off our Trade with all parts of the world: — For imposing Taxes on us without our Consent: — For depriving us, in many cases, of the benefits of Trial by Jury: — For transporting us beyond Seas to be tried for pretended offences: — For abolishing the free System of English Laws in a neighbouring Province, establishing therein an Arbitrary government, and enlarging its Boundaries so as to render it at once an example and fit instrument for introducing the same absolute rule into these Colonies: — For taking away our Charters, abolishing our most valuable Laws, and altering fundamentally the Forms of our Governments: — For suspending our own Legislatures, and declaring themselves invested with Power to legislate for us in all cases whatsoever. —

He has abdicated Government here, by declaring us out of his Protection and waging War against us. — He has plundered our seas, ravaged our Coasts, burnt our towns, and destroyed the lives of our people. — He is at this time transporting large Armies of foreign Mercenaries to compleat the works of death, desolation and tyranny, already begun with circumstances of Cruelty & perfidy scarcely paralleled in the most barbarous ages, and totally unworthy the Head of a civilized nation. — He has constrained our fellow Citizens taken Captive on the high Seas to bear Arms against their Country, to become the executioners of their friends and Brethren, or to fall themselves by their Hands. — He has excited domestic insurrections amongst us, and has endeavoured to bring on the inhabitants of our frontiers, the merciless Indian Savages, whose known rule of warfare, is an undistinguished destruction of all ages, sexes and conditions. In every stage of these Oppressions We have Petitioned for Redress in the most humble terms: Our repeated Petitions have been answered only by repeated injury. A Prince, whose character is thus marked by every act which may define a Tyrant, is unfit to be the ruler of a free people. Nor have We been wanting in attentions to our British brethren. We have warned them from time to time of attempts by their legislature to extend an unwarrantable jurisdiction over us. We have reminded them of the circumstances of our emigration and settlement here. We have appealed to their native justice and magnanimity, and we have conjured them by the ties of our common kindred to disavow these usurpations, which would inevitably interrupt our connections and correspondence. They too have been deaf to the voice of justice and of consanguinity. We must, therefore, acquiesce in the necessity, which denounces our Separation, and hold them, as we hold the rest of mankind, Enemies in War, in Peace Friends. —

We, therefore, the Representatives of the united States of America, in General Congress, Assembled, appealing to the Supreme Judge of the world for the rectitude of our intentions, do, in the Name, and by Authority of the good People of these Colonies, solemnly publish and declare, That these United Colonies are, and of Right ought to be, Free and Independent States; that they are Absolved from all Allegiance to the British Crown, and that all political connection between them and the State of Great Britain, is and ought to be totally dissolved; and that as Free and Independent States, they have full Power to levy War, conclude Peace, contract Alliances, establish Commerce, and to do all other Acts and Things which Independent States may of right do. — And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.
